### INFANT FEEDING.

The first years of our life are the most important in our existence. That is the time to build the foundation for sturdy manhood in the future. Invital period for proper nourishing. A baby secures the best possible nourishment from a healthy mother, but unfortunately very few mothers can nurse their children. What,

then, is the next best food?

Cow's milk should not be solely depended upon for it lacks a proper amount of what a child needs most-cellbuilding substance. Moreover, it is said by authorities on the ling such milk undergoes, from original value. Its quality tached to it. varies and its grades are nuchildren and counteracts these

The artificial foods that are so largely used very rarely contain milk, hence they imperfectly nourish the child, Even a small amount of Scott's Emulsion, one-fourth to a half teaspoonful, in the child's bottle seems to be of special value in adding a very important element to the food. Its beneficial results are quickly seen.

Scott's Emulsion is based on this true food principle. It provides nourishment for a child in the easiest, quickest and most palatable form. No tain Scott's Emulsion. Even mother's milk.

will greatly improve the qual-

A child of any age will be benefitted by Scott's Emulsion. It furnishes the means to meet and overcome the strain of growing. Being prepared for or disturb Lhe digestive organs of children.

Its great value as a child's food comes from the nourish- McIntyre, Renfrew, passed and starred ment it gives, the ease with ville, passed, and A. A. # and Bronchitis

Are usually diseases of childhood and are the dread of every mother's heart, Towards night the hoarseness comes and the hollow, croupy chest cough gives warning of troubles that are

In results and can only be cured by prompt and thorough treatment.

MRS. ILER SAVED HER BOY'S LIFE

temporal blessings this country now ton, is also here arranging a local When baby awakens at night with the dry, harsh, croupy cough it strikes terror to mother's heart, for she knows that unless she can bring relief to the child suffocation may soon end all suffering. In most cases there is no time to send for the doctor or even to go for medicine, and hence the wisdom of keeping at hand a bottle of Dr.

Chase's Syrup of Linseed and Turpentine, mother's favorite remedy for croup, bronchitis, whooping cough and all forms of throat and lung troubles.

While bronchitis may not be so sudden and fatal in results as croup it tends to become chronic and appear again and again until the bronchial tubes and lungs become diseased and invite consumption or pneumonia.

MRS. 'EUGENE ILER, King St. Truro. N.S., states:-"From an infant one of my children was troubled with bronchitis, and the least cold would aggravate the trouble. We could not get anything to help him and were often greatly alarmed. Hearing of Dr. Chase's Syrup of Linseed and Turpentine as a freatment for bronchitis we used it, and are glad to state that it effected a complete ours. If any of the children take a cold or cough I give this medicine, and have never known it

"I was troubled a great deal from sick headaches caused by indirection, and was cured by Dr. Chase's Kidney-Liver Pills. I have great faith in Dr. Chase's Remedies and can recommend them to others.

Mr. Wm. McGee, 49 Wright Ave., Toronto. states :- There is no remedy in my opinion that can act more promptly than Dr. Chase's Syrup of Linseed and Turpentine. It cured my son of croup, absolutely, in one night. We gave him a dose when he was black in the face with choking. It gave him instant relief. During the night he took several doses and in the morning woke up bright, perfectly well, and cheerful. I must say it is

# Dr. Chase's Syrup of Linseed and Turpentine

Is not a mere cough mixture but a thorough and far-reaching treatment which allays inflammation of the respiratory organs, aids expectoration, loosens the cough and absolutely cures colds and similar ailments. On account of its enormous sale Dr. Chase's Syrup of Linseed and Turpentine

Has Many Imitations.

Insist on seeing portrait and signature of Dr. A. W. Chase on the bottle you buy. 25 cents a bottle; family size, three times as much, 60 cents. At all dealers, or EDMANSON, BATES & CO., TORONTO.
