HOUSE OF INDUSTRY.

Management Has Been Very Sat-The annual meeting of the house of ndustry subscribers was held in the city council chamber on Monday afternoon. In the absence of the mayor, Alderman Meek presided. The report of the directors showed that the management of the house during the past year had been satisfactory, that there had been economy with efficiency, and the largest measure of comfort attainable with the resources at disposal. Special notice was drawn to the fact that the garden had been more with cords and before long vines will than usually productive, affording twine around the strings, and the turvegetables which had kept the house nip will send forth gracefully curling supplied up to the present time with leaves from its base. Be sure to use its forty-five to forty-nine inmates. the root part of the turnip for the up-The latter had fluctuated, in number, per part of the hanging pot. but the average had been about fortyfive.
