THE CHAMPIONS OF THE INTERCOLLEGIATE LEAGUE.

McGill Have Won That Title—Montreal Herald's Statements About Queen's—Curling Matches—Sport in General.

The Montreal Herald accuses Queen's hockey team of taking trips to the United States and allowing themselves to be advertised as Canadian champions "to the injury of the high reputation of hockey in Canada."

The Herald laments the fact that the New York Crocodiles crowd over the victory they secured against the champion Montreal team when the latter was defeated by a scratch team.

The Herald man has another tinhorn yarn to spin, to the effect that Queen's donated a silver cup to the Canadian Intercollegiate hockey league.

The Coming Races. Horsemen who have tried the kite-shaped track on the ice in the harbor say it is the finest of the kind they have ever gone over.

A Big Cocking Main. There was a large cocking main at Ottawa Wednesday night. It was practically a fight between Kingston and Ottawa birds.

McGill Champions. McGill won the Canadian Intercollegiate Hockey championship by the skin of their teeth.

Club Team Matches. The two senior matches at the Kingston Curling Club last night resulted: Rank No. 1—Prof. Kirkpatrick, H. Youlden, W. H. Dalby, F. Shaw, skip.

Intercollegiate League. Points Scored. Against. Queen's 20 7 McGill 13 7 Varsity 16 23

General Review Of Sport. Toronto Wellingtons may be invited to play in Ottawa last night resulted: Marks of the Belleville hockey team, has been laid up for the past week with quinsy.

At Nanapan last night, the home team defeated Pierson hockeyists by 13 to 2. J. T. Sutton refereed the game. The Schenectady, N.Y., State league franchise, with seventeen players, was sold to a local syndicate for \$600.

DAY'S EPISODES PARAGRAPHS PICKED UP BY OUR BUSY REPORTERS.

The Spice of Every Day Life—What the People Are Talking About—Nothing Escapes Attention.

Aunt Jenima's pan-ake flour at Redden's. An Indian was given shelter in the police cell last night. The dock in the police court was unoccupied this morning.

AN "AT HOME." Given By Cataragui Lodge, No. 10, I.O.O.F. Cataragui Lodge, No. 10, I.O.O.F., gave an "At Home" last night in the city buildings, where over 500 guests were entertained.

Refreshments were served in Ontario hall, which was also decorated, and laid out with the greatest care. H. Ferguson, who has catered for nearly all the large social events of the winter, was in charge, and his service and viands were the best.

Between The Acts. "How do you like this theatre?" "Fine! Best drinks ever outside!" Herbert Little, machinist, is in the general hospital, suffering from an attack of typhoid fever.

To Test The Water. Before changes in the water works system at the Royal Military College are effected, the government has ordered that the water at a certain place, where it is proposed to lay the pipe, be tested.

Cause Of That Typhoid. Several doctors ascribe the typhoid fever prevalence to the fact that there have been a number of bad thaws this winter. They point out that bad water has been taken into many cellars, and that the germs have been scattered about, getting into milk, meats and other food.

Hearings Postponed. In the actions of Connolly vs. the Consumers' Storage company, and of that company against Connolly and others, of Kingston and Montreal, the judicial committee of the privy council has postponed the hearing of the appeals until the June sittings of the court.

HAS A RECORD. N. W. KING WAS AN EXPERT SWIMMER.

He Was a Child of the Sea—The Way the London Times Referred to a Swimming Feat He Performed. There are many people in the city who know Norris W. King, the big, genial steward who resides on Colborne street; yet few know that he possesses a record for swimming that few other men can boast of.

Two years later, or in August, 1884, Mr. King swam around St. Helen's island, Montreal, starting from Victoria bridge and finishing at Hochelaga. The same year he performed a more daring feat. Mr. King went on board a large cattle steamer, the Gasparian, mounted to the top of the big cattle pens, and after the vessel had proceeded a distance from her wharf, he jumped from his high position and swam ashore.

Swimming feat—In a season probably remarkable for its extreme dullness, it is quite a luxury to be treated to a little excitement, such as that which some gentlemen had expressed a doubt as to the swimming powers of N. King; others more confident laid a wager of £5 that he could swim from the shore a little north of the South Esplanade round the pier-head to the bathing machines opposite the Ball Tower in thirty minutes.

NO ARGUMENT NEEDED. Every Sufferer From Catarah Knows That Salves, Lotions, Washes, Sprays and Douches Do Not Cure.

Powders, lotions, salves, sprays and inhalers cannot really cure catarah, because this disease is a blood disease and local applications, if they accomplish anything at all, simply give transient relief.

A remedy to really cure catarah must be an internal remedy which will cleanse the blood from catarah poison and remove the fever and congestion from the mucous membrane.

Stuart's Catarah Tablets. Have succeeded admirably in accomplishing this result. They are large, pleasant tasting lozenges, to be dissolved in the mouth, thus reaching every part of the mucous membrane of the throat and finally the stomach.

RHEUMATISM. Pains in the small of the back, passing of urine, inflammation, red, torpid liver, cloudy urine.

By Driving Out Uric Acid from the System, the Cure Can Be Effected. But First the Kidneys Must Be Cleaned. RHEUMATISM, RHEUMATIC GOUT, URIC ACID POISON ARE RARE DISEASES, AND CAN ONLY BE GETTING DIRECT AT THE TROUBLE, THE KIDNEYS.

Send a sample of your urine to Dr. J. P. Hanley, 111, St. James Street, N.Y., and 44 Lombard St., London, E.C. The doctors will make you a report and advise you with a valuable medical book about diseases of the kidney and blood, and their treatment. WARDNER'S SAFE CURE is a reliable and contains no narcotic drugs.

Wardner's Safe Cure is a household necessity in my family. I have used it for years and it has cured me of all my ailments. It is a safe and reliable medicine and I can recommend it to all who suffer from kidney and blood diseases.
