NEW RELATIONSHIP.

Between Imperial and Colonial
Governments.

London, Feb. 23.—The Birmingham
Post states that an important gov-
ernment announcement is pending con-
cerning a new relationship between the
imperial and the various colonial gov-
ernments. The home government, the
paper says, has admitted in principle
the justice of the demand of the British
colonies that they should have some
actual voice in the expenditure of
their naval contributions.
