PERSONAL MENTION,

Movements Of The People—What They Are Saying And Doing.

Frontenac-Beechgroves Play the Final in Toronto To-night—Snow Again Interferes With Its Yachting—Sport in General.

There is an agitation in the Kingston Curling Club to have the rink building enlarged for next season. The increased membership demands more curling space, and if the club is to continue to prosper, this must be forthcoming at once. The club has got along with two rinks for years past. Now it is proposed to cut the building in two, through the center of the road, and, thus increase the width of the interior so that four rinks may be laid. It is quite likely that this will be done, but the club cannot very well increase its membership of sixty till these extra rinks are put in. Rockwood has two rinks, and when Kingston raises her number to four, there will be playing room for forty-eight curlers here at one time.

On account of the soft weather there was no curling on Saturday.

Beechgroves In Toronto.

The Beechgroves left on the 9:10 G.T.R. train this morning for Toronto, where they meet the Marlboros to night in the final O.H.A. junior match. If the ice is bad, the Kingston team should win; if it is soft, the result will be uncertain. The same team that has represented the Beech groves all season, will play to-night, and it is hoped, they will bring the junior championship to Kingston. The Beechgroves carried their own audience of half a dozen supporters, but this number will be augmented by the small colony of Kingston men in Toronto.

Likely Name "Chaucer."

Frontenac Star.

For once we agree with the Kingston Whig—Elliott is the best man for the business. The Wellingtons will likely follow the suggestion from Montreal that a Queen's man referee the Stanley cup games by nominating Mr. Elliott for the position.

The Pall Mall Gazette warns English curlers that the Winnipeg four-oval crew may beat them at home.

Milton, Ont., is slated at having divided in Georgetown an honest hockey goal judge, a scarce article in the west.

Ottawa is asking the C.A.A.U. to reinstate all the Capital lacrosse players who were placed under the ban in 1897.

Marks of the Belleville hockey team, made affidavit to the effect that he never received a cent for playing baseball in Toronto or Kingston.

Montreal Victorias defeated the Quebec hockey team at Montreal, Saturday night, by 3 to 1. Victorias are tied with Ottawa for the C.A.A.U. championship, and the St. Louis cup.

The first of the series of home-and-home matches between Port Hope and Peterboro for a \$70 trophy resulted in a victory for the Peterboro team by a score of 4 to 1. The next match will be at Port Hope.

The Marlboro protest against the Queen's, of Belleville, is still pending. Manager Burrell, of the Belleville hockey club, telephones that a Toronto man was on his way to Kingston yesterday to secure further evidence.

Ice boating was indulged in on Sunday by many persons and the white-winged crafts flew over the ice in dazzling style. The yachtsmen expected a good week of races, but the snow of to-day has again spoiled the prospects.

The Athens hockey team will play the Westport team for \$100 a side in Brockville during the present week, teams to be composed of same players as those of the game at Athens, Feb. 28. Referee and goal umpires to be neutral men agreed upon by both the teams.

Perth and Smith's Falls, like the modern pagodas, are fighting their hockey battles in the newspapers. Perth glories over its victories this season, while Smith's Falls charges that Perth hadn't the courage to enter the O.H.A. or any other league, but stayed out by itself so that it could choose inferior teams. The be neutral men agreed upon by both the teams.

The offering at the Boston bazaar show last week, Frederick Freeman Lloyd says: "If there is any dog more than a year old, bring it along." This week it is the Irish terrier Celtic Badger, the property of Rev. Father Gorman, Gananoque, Ont. The logical papers have given him a great deal of space, and mentioning his number, a good many have gone to the show to see what sort of a dog was this one that Father Gorman had swept the board with in New York and at their own city. No man has received more congratulations than his owner, and one, too, that has all the enthusiasm of his countrymen for a good horse and a good dog. Celtic Badger must be a very happy and lucky dog in his new Canadian home, and it would seem that it is the intention of the Dominion to hold her own in these.

"My Heart Was Thumping My Life Out."

It is the way Mrs. R. H. Wright of Brockville, Ont., describes her sufferings from smothering, fluttering and palpitation. After trying many remedies without benefit, six bottles of Dr. Agnew's Cure for the Heart relieved her to perfect health. The first dose gave almost instant relief, and in a day suffering ceased altogether. Sold by Henry Wade and H. B. Taylor.
