THE DAILY WHIG. "Opifer per Orbem Decor." A SOLEMN WARNING. "It is time," says the Toronto Telegram, "R. L. Borden and his advisers began to think seriously over the folly of allowing F. D. Monk, M. P., to trifle away the strength of the conservative party in the one province where that party is still strong."

Mr. Monk has been raising the school question in Quebec, without meaning anything by it. He has sought to arouse the French Canadians to no purpose.
