Anniversary Services. Sunday being the sixty-seventh anniversary of Grace Methodist church, ed on the plant, Gananoque, special services were conducted by the pastor, Rev. W. J. Wood, assisted by Rev. Messrs. Orser and Coleman. As ancounced at the services of two weeks ago by George Taylor, M.P., a special collection was taken on this occasion and elicited a response as follows: Morning service, plate collection, \$753.50; Sabbath school, \$93.60; Ladies' Aid Society contribution, \$100; evening service plate colle tion, \$281.50; \$1,228.60. Another special collection will be taken next Sunday and an effort made to increase this amount to \$1,500. In all likelihood this amount will be raised as at a meeting of the whole ong egation immediately at the close of last night's service over twenty members of the congregation stood up offering amounts of five and ten dollars to be placed on the plate next Sabbath with many voluntary gifts of one and two dollar amounts.

A distressing case of Fibroid Tumor, which baffled the skill of Boston doctors. Boston, Mass., the following letter tells how she was cured, after everything else failed, by Lydia E. Pinkham's Vegetable Compound.

Mrs. Hayes' First Letter Appealing to Mrs. Pinkham for Help: "DEAR MRS. PINKHAM: - I have been under Boston doctors' treatment for a long-time without any relief. They tell me I have a fibroid tumor. I cannot sit down without great pain, and the soreness extends up my spine. I have bearing-down pains both back and front. My abdomen is swollen, and I have had flowing spells for three years. My appetite is not good. I cannot walk or be on my feet for any length of time. "The symptoms of Fibroid Tumor given in your little book accurately describe my case, so I write to you for advice." - (Signed) Mrs. E. F. HAYES, 252 Dudley St., (Roxbury) Boston, Mass.

Note the result of Mrs. Pinkham's advice-although she advised Mrs. Hayes, of Boston, to take her medicine - which she knew would help her her letter contained a mass of additional instructions as to treatment, all of which helped to bring

about the happy result. "DEAR MRS. PINKHAM: - Sometime ago I wrote to you describing my symptoms and asked your advice. You replied, and I followed all your directions carefully, and to-day I am a well woman.

"The use of Lydia E. Pinkham's Vegetable Compound entirely expelled the tumor and strengthened my whole system. I can walk "Lydia E. Pinkham's Vegetable Compound is worth five dollars a drop. I advise all women who are afflicted with tumors or female trouble of any kind to give it a faithful trial." - (Signed) Mrs.

E. F. HAYES, 252 Dudley St., (Roxbury) Boston, Mass. Mountains of gold could not purchase such testimony—or take the place of the health and happiness which Lydia E. Pinkham's Vegetable Compour I brought to Mrs. Hayes.

Such testimony should be accepted by all women as convincing evidence that Lydia E. Pinkham's Vegetable Compound stands without a peer as a remedy for all the distressing ills of women; all ovarian troubles; tumors; inflammations; ulceration, falling and displacements of the womb; backache; irregular, suppressed or painful menstruation. Surely the volume and character of the testimonial letters we are daily printing in the newspapers can leave no room for doubt. Mrs. Hayes at her above address will gladly answer any letters

which sick women may write for fuller information about her illness. Her gratitude to Mrs. Pinkham and Lydia E. Pinkham's Vegetable Compound is so genuine and heartfelt that she thinks no trouble is too great for her to take in return for her health and happiness. Truly is it said that it is Lydia E. Pinkham's Vogetable Com-

pound that is curing so many women, and no other medicine; don't forget this when some druggist wants to sell you something else. SSAAAA FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness. Lydia E. Pinkham Medicine Co., Lynn, Mrss.
