

THE WHIG—70th YEAR

DAILY BRITISH WHIG, published at 100, King Street East, Toronto, Ontario, at \$4 per year. Edited by J. H. MILLIS.

THE DAILY WHIG

"Opifer per Orben Dicor."

SHARP SHOOTERS WANTED.

The minister of militia has spoken. He has given his opinion as to the military needs of the day, and it is, in essence, that Canada does not need a great army or militia force as some have contended for.

PAVING THE STREETS.

The council is disposed to try street paving, and has selected a number of blocks in the business portion of the city for which the work will be done with the people's approval.

FINAL ORDERS.

ISSUED BY LIEUT. COL. J. S. SKINNER. The Very Latest News Collected from All Over the World.

MISS ALICE BAILEY, OF ATLANTA, GA., TELLS HOW SHE WAS PERMANENTLY CURED OF INFLAMMATION OF THE OVARIES, AND ESCAPED THE SURGEON'S KNIFE, BY THE USE OF LYDIA E. PINKHAM'S VEGETABLE COMPOUND.

My child was troubled with bronchitis and cough until my doctor advised me to use Angier's Petroleum Emulsion. It cured the cough and she almost immediately began to gain weight and strength.

Another woman cured of inflammation of the ovaries, and escaped the surgeon's knife, by the use of Lydia E. Pinkham's Vegetable Compound.

As long as I live, and also recommend the same to anyone suffering as I was.—Mrs. MIDDIE OTTOWAY, Ohio, Iowa.

IT'S ABOUT NOW That your Trousers commence to fray at the bottom, bag at the knee and go into a general state of collapse.

Got a Raincoat? Every man should have one at this season of the year. For the skies are constantly playing us false.
