PROSPECT FOR PEOPLING THE EMPIRE

A Colony Within a Colony-British Farming Men For Canada -The Land and the Men.

An interesting project is about to They are to pay their own passages, and the Canadian Government does the rest. Each family is to receive a free grant of 160 acres, and not only are they to be granted special facilities, but they are guaranteed protection by the Government, who protection by the Government, who will secure them from the encroachment of any other nationality. The effect will be an English colony, within a colony, upon whose preserves no foreigner will be permitted to settle save by special arrange

OVER-DRAWING THE ACCOUNT

Every hour in the day you are using up nerve force, body tissue, blood cells, energy—everything that means health. Always taking away, always borrowingdo you ever pay it back? The thin body and pale blood say no; the reserve force is about gone. There is a general weakness and the body is run down. You have overdrawn your account; you must make up the deficiency, but how?

Scott's Emulsion makes it up with interest. It will clear you of the debt you owe health and give you a working surplus of solid flesh, good blood and healthy tissues. In Scott's Emulsion the necessary element of fat is plentifully supplied in the most palatable and easily digested form. It enters the system quickly and without effort. There's no tax on the digestive organs—no strain on any part of the body.
