## A Handsome Becoming Hat

Adds greatly to any woman's appearance, as every person of taste well knows, and an ugly, unbecoming piece of head gear is in itself enough to make a beautiful woman look homely. Therefore, choose your hat with care and discrimination, and see to it that you get one that looks well on you and is at the same time handsome and stylish. We can furnish any woman with just such a hat, and at prices that are much lower than those quoted elsewhere for equal style.

FLOWERS! FLOWERS! FLOWERS! YES
