DR. PITCHER'S BACKACHE-KIDNE TABLETS.

MR. JAMES TAGGART, mail carrier for the past eighteen years, Palmerston, Ont., gives the history of his case as follows:

"For a good many years I have had kidney trouble and pain in the back. It is so Trying on and demonstrating the many years ago that I can hardly say what it came from but think it came from a heavy lift; after that the back grew weaker and weaker. I tried everything, and never got a bit of relief until I got a bottle of Dr. Pitcher's Backache-Kidney

DES MOINES, IOWA, U. S. A. SAND TORONTO, CANADA. PRICE, TWENTY-PIVE CENTS.

The many remarkable

cures of colds and grin effected by this preparation have made it famous over a large part of the civilized world. It can always be depended upon and is pleasant to take. It not only cures colds and grip, but counteracts any tendency towards pneumonia.

This remedy is also a certain cure for croup, and has never been known to fail. When given as soon as the child becomes hoarse, or even after the croupy cough appears, it will prevent the attack.

Whooping cough is not dangerous when the cough is kept loose and expectoration free by the use of this remedy.

It contains no opium or other harmful substance, and may be given as confidently to a baby as to an adult.

A Handsome Becoming Hat

Adds greatly to any woman's appearance, as every person of taste well knows, and an ugly, unbecoming piece of head gear is in itself enough to make a beautiful woman look homely. Therefore, choose your hat with care and discrimination, and see to it that you get one that looks well on you and is at the same time handsome and stylish. We can furnish any woman with just such a hat, and at prices that are much lower than those quoted elsewhere for equal style.

FLOWERS! FLOWERS! FLOWERS! YES

FLOWERS

In all literature, from the songs of Solomon to the sonnets of Stanton, the tenderest and sweetest strains of the past have been lavished upon flowers. Chaucer, Herrick, Spencer, Wadsworth, Burns, Keats and Shakespeare have recled off ringing verses inspired by violets and daisies, the rose blossoms all through mellifiuous Persian poetry, and the troubadours chanted in the starlight to pearly ma rguerites. The flowers of poetry are here just as nature makes them-except the

perfumes; they are ready for gathering and there is nothing more festive, more buoyant, of lovlier spring hues, of a lovlier Easter impulse.
