REPRIMANDED THE WIFE.

And Told Her To Improve Her

Fitzgerald, Harry Roddy, Bernard Ber-mingham, and Conway Bermingham, Magistrate Farrell read them a lec-ture upon the evil of their ways and said he was determined to put down such practice once and for all. Many complaints had been made by ladies

before him, they would not get off so lightly. Two of the boys had been in

bad language on the street.

Mrs. Josephine Smith charged her husband, William Smith, with assault.

She said, in her swidence, that at the dinner table Monday he had accused her of infidelity and she had denied over to keep the peace, as he had said he had good grounds for accus-

and gave the complainant a repri-mand, recommending her to change her mode of living and improve her

Grain Consigned To Kingsten.

One and a half million bushels of grain is already consigned from western places to Kingston. This is the largest amount ever consigned here at this season of the year. It is for the M.T. company.

Society And The Bicycle. Society has taken up the bicycle this season in earnest. The ladies are be-coming particularly enthusiastic over the joys of riding. Wheeling parties are now quite in vogue, and the ladies are turning out in goodly numbers. This is certainly a splendid means of recreation, for there is no exercise so healthful. The more popular these spins into the country become the better it will be for the general health.

German Machinist Back Wilhelm Wiegold, one of the Germa machinists who left the Kingston Lo-comotive works and went to Buffalo, N.Y., under promise of a fine position, arrived back this morning, and desired to recover his former position here. His two sons came from Germany af-ter most of the machinists had left,

The Way He Met Death. The death of Capt. J. L. H. Bradshaw in South Africa, is confirmed by letters sent to Picton friends. It appears he was proceeding on one of the railways on a hand-car, and a stone on the track caused the car to upset, and in the crash that followed Mr. Bradshaw lost his life.
