PAINS IN THE SMALL OF THE BACK, painful passing of urine, inflammation of the bladder, torpid liver, cloudy urine, pain the back of the head and neck, rheumatic pains and swellings all over the body, eczema and jaundice tell you your kidneys are diseased and are not able to do their work properly. If you have any of these symptoms great care should be taken to stop the progress of the disease and prevent it becoming chronic and pregnating the entire system.

Thousands of unsolicited letters are received daily from grateful men and women who have been cured by Warner's Safe Cure.

The doctors had given me up unless went through an operation. At that time I heard of Warner's Safe Cure and immediately stopped all doctors and commenced using your remedy. For the last fifteen years and a half have enjoyed perfect health. I advertise it to all sick people I come in contact with, and with a great many it has effected a cure. Very respectfully, JOHN C. PELZER, Denham, Ind., Dec.14, 1902.
