Speak at a Public Meeting In
Toronto—The Executive Council's Work Done.

Toronto, April 25.—The executive
council of the American Federation of
Labor concluded its session, yesterday,
after rendering a number of decisions
in cases of disputes between differ-
ent organizations in the United

States. President Gompers, first vice
president, James Duncan, Secretary
Morrison, and other officers, addressed
a large meeting in Massey Hall, last
night. Mr. Gompers, in the course of
his remarks, took occasion to contra-
dict the allegation frequently made
that international officers and organiza-
tions in the United States went about
ordering strikes in Canada and vice-
versa. In every instance, he declared,
the initiative had to be taken by the
men mostly interested.

Recovered Stolen Property.

John Heeton, Catarquini, whose

horse and rig were stolen Thursday

night, recovered them next day, at a

point one mile north of Sydenham,

and returned home with his property

on Friday. The canary top of the

master's rig was entirely destroyed.

The horse was not injured, but

suffered fits of fatigue from being driv-

en so long a distance. The thief was

seen at several places and trouble

ought not to be experienced in apprehending him if a determined effort was

made.
