Mr. Parks Was Advised by a Clergyman to Use Paine's Celery Compound

The Life Saving Spring Medicine.

Paine's Celery Compound is more talked of in the springtime in each province, city and town of our Dominion, than any other medicine now before the public. It has a place in the homes of the wealthy, influential and intellectual; it is the disease banisher that has the entire confidence of our men and women who toil daily in workshops, stores, offices and homes. When the first warning symptoms of physical weakness and disease are experienced, wise and prudent men and women invariably seek vitality, health and strength in nature's health builder. If the reader of this article finds it difficult to obtain restful sleep, if nervousness and weakness cause alarm, if the blood is impure and sluggish, if rheumatism, neuralgia, kidney and liver troubles are commencing to annoy, follow the example of thousands who have made themselves well by use of Paine's Celery Compound. G. W. Parks, of Inglisville, N.S., writes thus:

"I was taken sick, which compelled me to abandon my work and seek home and rest. I consulted the doctors who said I was suffering from typhoid or slow fever. I suffered severely from night sweats and cold chills during the day. I was nervous, weak, and reduced in flesh until I was a mere skeleton. My wife and friends began to despair of my recovery, as the medicines I took produced no good, and I was gradually growing worse. Through the influence of Rev. Mr. Tyler, I was induced to give Paine's Celery Compound a trial, and it truly worked wonders. Five bottles completely cured me. I gained thirty-two pounds in three weeks, and am now strong and healthy."

Lame Back for Four Months.

Was Unable to Turn in Bed Without Help.

Plasters and Liniments No Good.

This was the experience of Mr. Benjamin Stewart, Zionville, N.B.

TWO-THIRDS OF A BOX OF

Doan's Kidney Pills

CURED HIM.

He tells of his experience in the following words: "For four months I was troubled with a lame back and all this time was unable to turn in bed without help. I tried plasters and liniments of all kinds but with no effect. At last I was induced to try Doan's Kidney Pills, and by the time I had used two-thirds of a box my back was as well and as strong as ever and has kept so ever since."

Backache, Frequent Thirst, Scanty, Cloudy, Thick or Highly Colored Urine, Puffing under the Eyes, Swelling of the Feet and Ankles, are all symptoms of kidney trouble that Doan's Kidney Pills will cure.

Price 50 cts. per box or 3 for $1.25, at dealers, or

WHAT WHIG CORRESPONDENTS TELL US.

The Tidings From Various Points In Eastern Ontario—What People Are Doing And What They Are Saying.

Backward In Seeding.

Fair View, April 27.—Owing to cold weather farmers are late getting their crops in. John Loucks and Mrs. Hess spent a day or two visiting friends in the north. Mrs. A. D. Snider, ill, is able to be around again. Mrs. Hodgson is recovering her health. Benjamin Clark, Switzerville, was a guest at S. Vanalestine's on Saturday. Mr. and Mrs. Henry Rooks spent last week at John Loucks'. Reuben Loucks is visiting on Victoria street. Herbert File spent holidays with his parents.

Acquires A Farm.

Hartington, April 27.—Rev. Mr. Shorey will occupy the pulpit here next Sunday evening. Quarterly services will be held in this church Sunday, May 10th. John Moor has traded his house and lot for Wesley Babcock's farm, giving $900 difference. William Patterson and wife, living in Winnipeg for three years, are expected home; he is seeking health, as he has been ailing for the past year. Mr. Worth, a member of the Pennsylvania Mining company, is expected this week. E. Freeman's horses ran away last week while working on his farm, doing considerable damage.

Everybody Prosperous.

Foxtar, April 27.—Miss Maud Ackland, sick for two months, is slowly recovering. Frank Young, medical student, Queen's, is home for the summer. The ground is dry and farmers are busy putting in their crops. Cheese factories are all running full blast. Mrs. Julianna Hales, sick at her daughter's, in Delta, has returned home much improved in health. H. M. Judson and family, Brockville, formerly of this place, are about to return and take up residence here. Horses are in great demand at good prices, and hard to get. Cheese and pork are a good price, and butter is away out of sight. Everybody is prosperous.

From Busy Bloomfield.

Bloomfield, April 27.—Seeding is progressing now under the favorable weather, and will be finished in a few days. C. F. Garratt, Deer Grove, Illinois, arrived last week with a new stock of goods for his general store, formerly owned by Wilfrid Barr. Mr. Stone, Castleton, has purchased the Charles Fenemore property and will conduct a grocery. A carload of Rathbun's Portland cement arrived last week for different parties. Adam Saylor is recovering from illness. The blacksmiths here have advanced the setting of horseshoes to 12½c. each. The cement wall for E. P. Stanton's new basement barn was finished last week and the frame will be raised in a few days. Philip Pearsell has purchased the house and lot of Mrs. James Noxon. More cement walks are to be laid in this place. Edward Purtelle, a former resident, had the misfortune to lose two brood mares last week. Wilfrid Burr arrived here from his farm near Hamilton, and will now remove his family and some stock to that place. William Noxon has agents on the road for his new patent appliance, which prevents cows from switching while being milked.

Good Prices For Milk.

Strathcona, April 22.—Robert Madden has a bad attack of congestion of the lungs. James McGuire was taken ill with pneumonia last Saturday, the doctor has very small hopes of his recovery. A. Granger is in poor health. J. Boyer is improving his property by new fences and cement walk. R. Lott has built an up-to-date milk house and stand. The high price of cheese is enabling the farmer to put more into cows than formally. It is almost impossible for villagers to secure pasture for cows. Newburgh and Selby factories paid $1.15½ per hundred pounds for milk. J. H. Madden, Napanee, was here Sunday to visit his father, Mrs. Calder was at Mrs. Dunlap's, Monday. At the vestry meeting of St. Jude's, T. Wild was appointed minister's warden, J. Boyer people's warden and Rory Lott, delegate to synod. S. Clancy, Wesley, and family visited at his sister's, Mrs. Richard Richardson. Mrs. Marshall Halley was in Toronto a few days attending the funeral of a relative. Mrs. F. V. Greene, in the employment of Mrs. L. Lott for over a year, was married at her mother's, in Norwich, on Tuesday, April 14th, to Fred. Randell, Springfield, Vt.

Death Of A Young Man.

Wilton, April 27.—A gloom was cast over this community Saturday morning when word was received from the Kingston General Hospital that Harold Storms, only son of Mr. and Mrs. O. C. Storms, was rapidly sinking and that there was not the slightest hopes of his recovery. Harold had not been well for several days, but his illness was not thought serious until early last week when it was found he was suffering from typhoid fever. On Wednesday he was removed to the hospital and later spinal meningitis set in, and in spite of all that could be done death claimed him Saturday afternoon. Mr. and Mrs. Storms and the two young sisters have the sympathy of all in their sad bereavement. The body was brought to Wilton and placed in the vault to await burial. The funeral service will be held in the Presbyterian church Tuesday at two o'clock. The sacrament of the Lord's Supper was commemorated in the Presbyterian church last night. Miss Annie Forsythe has returned from Harrowsmith, where she has been nursing for the past few months. Miss Gertrude Mills has fully recovered and returned to the Kingston General Hospital to resume her duties.

A Death At Latimer.

Latimer, April 24.—Some farmers are almost through with their seeding, etc. Mrs. William Lemmon and little daughter, Nina, city, are spending a few days at her sister's, Miss Vere Woolfe. Mrs. Thompson has returned to the city, having spent some days at James Sherman's. John Taylor and Master Mac spent a few days at S. Hughson's, Opinicon. Miss Emma Caverly is visiting in the city. Miss Louisa Smith is spending a few days at Sydenham. Miss Sadie Sherman is visiting in the city. Mrs. C. Taylor spent Wednesday at Cataraqui, the guest of Mrs. (Rev.) Craig. Miss Ella Shaw, Odessa, has returned and school has re-opened. Mrs. Greenwood and family have returned to their homes in the city, having spent several days with friends here. Mr. and Mrs. S. J. have spent Sunday at Dr. Edward's, Cataraqui. W. Duffey is remodelling Mr. Rector's house. On Sunday night the spirit of Mrs. Hiram Spooner took its flight for the brighter realm. Mrs. Spooner has been an invalid for seven years, and will be missed by the community. Very sad are the hearts of the husband and four children, Mrs. C. D. McFarland, city; Arman, Queen's University; Lattie and Myrtle, at home. The funeral services were conducted by Rev. Mr. Ferguson, assisted by our pastor, on Tuesday.

Myer's Cave Cullings.

Myers' Cave, April 25.—In spite of the cold, backward weather of the past week, some of our farmers have commenced seeding. School has reopened after the Easter vacation, under the able management of our teacher, Mr. Smith, Kingston. Abram Loucks made a business trip to Arden this week, accompanied by his daughter, Maggie, who has gone to Napanee for the summer. Mrs. D. Gray has lately returned from Montreal, whither she had gone to visit her husband, who is still undergoing treatment in the Royal Victoria Hospital. Frank Gray also accompanied her. They report Mr. Gray still slowly convalescing. Little Jennie Gray is on the sick list. Robert Gray was suddenly called to the bedside of his brother, William Gray, Actinolite, who is at present lying dangerously ill at his home there. Little Grace Cuddy, who had the misfortune to have one of her legs broken some time ago, is able to be taken out for a drive. During the very high wind of Tuesday the roof of Mrs. D. Gray's dwelling house caught fire from a spark from the stovepipe; had it not been noticed in time, and help at hand, the building would have been destroyed. A baby boy has come to brighten the home of John Curtis. Mrs. J. Dellyea, ill for the last week, is getting better. Several young men have left for the various drives. J. Critchley is doing a rushing business cutting shingles in the saw mill here. Miss Allison, Wolfe Island, has been engaged to teach Salmond's school for the remainder of this year. Miss Belle McGregor is the guest of Miss Edna Mitchell.

Injured At Copper Cliff.

Bell Rock, April 22.—The social in the Methodist church on the 16th inst., under auspices of the Epworth League, was a success. There was a good attendance, good music, and choice refreshments were served. The address given by Rev. Dr. Moore, of Newburgh, was highly appreciated. John Timmons is repairing his grist mill. Miss Maud Pomeroy has returned to her school at Desert Lake. Miss C. Wood has resumed her duties in the public school. The separate school is opened again for the first time since the epidemic of small-pox broke out here. Mrs. William Walker and Miss Goldie Sanborn, sick with grippe, are better, Miss Maggie Brooks, quite ill from small-pox is better this week. Ernest L. Amey is convalescent from injuries received by a fall of thirteen feet while at work in Copper Cliff, New Ontario. Mr. Amey was badly bruised and shaken up, but no bones were broken; he came home on the 8th inst. A. Sanborn, Warkworth, spent a week here visiting his mother and his brother, G. M. Sanborn. On his return home he was accompanied by his nephew, George Sanborn. S. Anderson, Selby, has taken charges of the cheese factory here again. Mr. Shea has moved into his new house on Main street. Frank Clark has moved to a farm near Parham. Mr. and Mrs. Clark were good neighbors; they will be greatly missed here. Mrs. B. Revell scalded her left hand very badly on the evening of the 16th inst., while preparing a kettle of tea for the Epworth League social. Visitors: L. A. Sanborn, Moscow, at his home here; C. Gonyon and Miss Lena Gonyon, Selby, at Wheeler's.

NEGROES ARE LYNCHED

By Mobs In Illinois And Texas.

Thebes, Ill., April 17.—An unknown negro, aged about seventeen, was lynched by a mob of farmers near the village of Santa Fe, for attempting to assault the ten-year-old daughter of farmer Branson Davis, and this was followed by general onslaught upon a colony of negroes living in tents, who were engaged in bridge construction work. The tents were burned and many negroes shot, but so far as known none were killed. Hundreds of shots were exchanged but no whites hurt.

Long View, Texas, April 18.—News has reached here of the lynching at Carthage, of a negro named Hensley John who, it is alleged, assaulted a four-year-old white girl of that place on Friday night.

New Postal Rates To Bermuda.

Ottawa, April 28.—The post-office department has issued a notice that after Monday newspapers and periodicals posted for Bermuda will be carried at the same rates as if addressed to points in Canada.

How To Ward Off An Attack of Rheumatism.

"For years when spring time came on and I went into gradening, I was sure to have an attack of rheumatism and every attack was more severe than the preceding one," says Josie McDonald, of Man. Logan county, West Va. "I tried everything with no relief whatever, until I procured a bottle of Chamberlain's Pain Balm, and the first application gave me ease, and before the first bottle was used I felt like a new person. Now I feel that I am cured, but I always keep a bottle of Chamberlain's Pain Balm in the house and when I feel any symptoms of a return I soon drive it away with one or two applications of this liniment. For sale by all druggists.

DISTRICT NEWS.

SPICE OF THE ARTICLES IN VICINITY NEWSPAPERS.

The News Put Into Condensed Shape — The Episodes That Create Talk in the Country and Hereabouts.

F. A. Bethune has retired as manager of the Molsons bank, Smith's Falls.

Lieut.-Col. Lighthall has sold his Picton residence to Edward McCaw, Milford.

The death of Clinton Allison, Big Island, occurred on Wednesday, aged sixty-nine years. Deceased had been ill for over a year.

M. W. Maclean, in Deseronto for several years, and his brother, Lieut. Maclean, sons of the Rev. M. W. Maclean, Belleville, have left for Saskatoon.

Alfred Hogaboom, a highly respected resident of Mallorytown, died on Friday. Deceased was a charter member of Mallorytown lodge of Oddfellows.

On May 3rd there will be special services held in St. Andrew's church, Gananoque, being the twenty-fifth anniversary of the Rev. H. Gracey's induction as pastor.

George Eamer, Smith's Falls, a patient at the Brockville General Hospital since January last, undergoing treatment for rheumatism, died on Saturday night. Deceased was thirty-seven years of age and unmarried.

The remains of the late Andrew J. Longwell, Sophiasburg, were buried in Glenwood cemetery, Picton, on Wednesday. He had reached the age of forty-nine years, and was a member of the I.O.F., Demorestville lodge.

The appeal of the Brockville, Westport and Sault Ste. Marie railway against the findings of the local master at Brockville in the suit of the Knickerbocker Trust company against the railway has been dismissed.

Samuel Graham, Healdsburg, Cal., formerly of Kemptville, died on the 17th. Deceased had been residing in California for the past thirty years. He was preparing to return home in a few days, when death overtook him. He is survived by two brothers and two sisters, John, of Burritt's Rapids; William, of California; Mrs. Acton and Mrs. Ballance, of Kemptville.

A Lasting Benefit.

Don't suffer with rheumatism. Get cured, as did Johnston Larmon, Oso Station, Ont. He had rheumatism in one of his hips for years, used all kinds of medicine without getting any relief. Two bottles of Hall's Rheumatic Cure cured him completely. He has not had a pain or ache for three years. This great blood purifier is put up in bottles containing ten days' treatment, 50 cents at Wade's.

Corsets of every description ordered or ready-made at New York Dress Reform.

Dr. Georgina McBain, daughter of Dr. John McBain, Montreal, has had the degree of D.D.S. conferred on her at Bishop's College convocation.

THE SUFFERINGS OF WOMAN

Many Irregularities and Weaknesses, Much Pain and Misery Which Can be Permanently Overcome by Using

Dr. Chase's Nerve Food

No woman can expect to have good health unless the monthly uterine action is regular, and any breaking of this law of nature not only causes much pain and suffering, but may make her an invalid for the rest of life.

Nearly all derangements of feminine organism are due to thin, watery blood, a poor circulation or lack of nerve force. Whether the menses are irregular, insufficient, profuse, or painful the cause of trouble rests with the condition of the blood and nerves, and soon disappears when these are restored to health and vigor.

The dull, aching pain in the back and thighs, the cramps in the abdomen, the distressing headaches, the irritability and feelings of utter weariness will disappear when Dr. Chase's Nerve Food is used to put the blood and nerves in proper condition.

It is usually in girlhood that these irregularities have their beginnings, and hence, mothers, the necessity of looking to the health of your daughters during the period of change. A few words of advice at this point may save them from a life of ill-health and misery.

From girlhood to the change in life, for the nursing mother, and at every crying time in woman's life Dr. Chase's Nerve Food is of inestimable value, because it forms new, red blood, insures good circulation, and revitalizes the wasted and depleted nerve cells. It gives health, strength, and buoyancy, rounds out the form, increases flesh and weight, and builds up the system.

Dr. Chase's Nerve Food is composed of nature's most powerful restoratives, and cannot fail to benefit you. 50c. a box, at all dealers, or Edmanson, Bates & Co., Toronto.
