IS FINALLY SETTLED. ontreal Street Retaining Wall

Montreal street wall question was given a thorough thrashing out the council last night. The matter came up through the city solicitor asking if the council would be willing to convey the land to two of the owners interested, and by Kirkpatrick, Rogers and Nickle asking council to defer putting its decision to transfer as an administrator is appointed fo the Urquhart estate.

In the course of the debate, the city olicitor stated that the wall been built in 1872 by the owners the property, who had continued, til recently, to keep it in repair. Alds. McLeod, Behan and Mowat f vored a reference to the courts to termine who should keep the wall-

It was shown that the reason cepting the city's offer, was because far enough to go ahead with the work before receiving the deeds of the land James Baird with W. F. Macleon, As a final move, Ald. Tait said the city solicitor would deposit tion, the commission not being a court | tario bank, with an order to hand them over to the property owners when the wall was rebuilt, he would
