WEEKED QUESTIONS. Child I Know—By Rachel Challice.

The time has now come when one can see something of the result of the so-called higher education among the children of the present generation.

CHURCH WORK. FATHER FALLON MAY GO TO VANCOUVER B. C.

Rev. Dr. Symonds, Port Hope, To Succeed Rev. Mr. Steen, Montreal—Marconi a Protestant.

A cheerful, intelligent face is the end of culture and success enough—Emerson. Rev. C. A. McLeod, called to the Presbyterian church, Norwood, will be inducted on Thursday.

Rev. Father Fallon, may become rector of the Church of Our Lady of the Holy Rosary, at Vancouver, B.C. Rev. William W. Kannavin, M.A., B.D., late of Omnesse, has been inducted into his new charge at Woodville.

Rev. J. B. Nevitt, curate of St. Luke's church is seriously ill with a fever with which he was seized over a week ago. Suffer if you must. Only try if you are miserably to do so. Only try if you are miserably to do so.

Rev. D. B. Harkness, for the last three years pastor of the Baptist church in Toronto, has resigned to take up mission work at Emerson, Man. Rev. B. William Woodroffe, assistant to the rector of Cronyn Memorial church, London, has received a call to the assistant's rectorship of St. Paul's church, Halifax.

Rev. Dr. McMullan, Woodstock, has been presented with a purse containing \$230 and given a vocation to his congregation. He has just completed the 43rd year of his pastorate. Rev. Dr. Herbert Symonds, headmaster of Trinity College School, Port Hope, is to be appointed vicar of Christ Church Cathedral, Montreal, in succession to the late Rev. Frederick J. Steen.

Rev. John Moore Gibson, one of the leaders of Presbyterianism now stationed in London, sails next week for Canada, to take part in the jubilee services of St. James Square Presbyterian church, Toronto. The Presbyterian congregation of Thorold has extended a call to Rev. J. D. McLeod, late of Riverfield, Que., in the presbytery of Montreal. Mr. McLeod graduated from the Presbyterian College, Montreal, 1892.

Rev. W. H. White, late curate to Rev. Henry Kittson, rector of Christ Church Cathedral, Ottawa, has accepted the appointment of vicar of Trinity church, Barrie. He is the son of the late Canon White, of Toronto. Rev. Reginald John Campbell, who recently accepted the pastorate of the City Temple of London, as the successor of Joseph Parker, will sail for the United States in May, and remain sufficiently long to take part in the Students' conference at Northfield, the last of June and the first of July.

It is probably not known to many in England that Mr. Marconi is a Protestant. A statement to the contrary in a Roman paper has led two pastors of the Waldensian Church of Naples, to declare that Mr. Marconi is a Protestant by birth and belongs to the Waldensian Church, which, also that he has consented that an anti-clerical institution shall bear his name. The Italia Evangelica prints both the letter of the pastors and the letter in which Mr. Marconi accedes to the request of the committee.

Accept This Gift. Of Powley's Liquefied Ozone—The Only Way to Kill Inside Germs

If you suffer from germs, and don't know that Powley's Liquefied Ozone kills them, let us give you a bottle. Not a mere sample, but a full size bottle—enough to prove what Ozone can do. We will send you an order on your druggist for it, and instruct him to charge it to us. This very offer must indicate to you that Ozone does what we claim.

Kills Inside Germs. Powley's Liquefied Ozone is the only way to kill germs in the body without killing the tissues too—and you can't cure a germ trouble without killing the germs. Some of you have taken medicines until you are discouraged, for drugs never kill germs.

Not a Medicine. There are no drugs in Powley's Liquefied Ozone—no alcohol—nothing but oxygen, the vital part of air. Ozone is the discovery of a chemist who spent 20 years in learning how to get an excess of oxygen, in liquid form, into the blood.

Germ Diseases. These are some of the known germ diseases. Powley's Liquefied Ozone has cured each of these diseases—completely and forever, in at least several hundreds of the most difficult cases that physicians ever met. Ozone is the proper treatment for all of them—the only quick, direct and certain way to remove the cause of the trouble.

CUT OUT THIS COUPON. For this offer may not appear again. Fill out the blank and mail it to the Ozone Co., Limited, 45 Colborne St., Toronto. I am troubled with... I have never tried Powley's Liquefied Ozone, but if you will supply me a 50c. bottle free I will take it.
