RUGS AND SQUARES

People usually suppose that because these Rugs have an 18-inch border all round, and in many instances are woven in one piece (no seams), they are therefore more expensive than the carpet by the yard. Not so in this case. We offer a special lot of these squares at less price than the same amount of carpet can be purchased by the yard.

Tapestry Squares

9 ft. by 6 ft 9 in., made without a seam border, all around centre or floral pattern, for \$8.50.

Balmoral Squares

In various sizes and qualities, (1 seam only.) Size 9 ft. by 10 ft 6 in., for \$7.25 \$8.50, \$9, \$10.50, equal to 14 yards of carpet.

NOT SATISFIED, SAY PARALYSIS FOLLOWS LORENZ'S OPERATION.

American Physicians Seem to Be Retreating

The publication of intimations that physicians had found that paralysis had followed what is now termed the Lorenz bloodless operation for reducing dislocations is stirring up the defenders of those not in accord with the Lorenz method, and it seems probable that the resentment felt by many American practitioners over the feeling of the American specialists to this country to perform his operation upon little Lolita Armour for a fee of \$30,000 and expenses of himself and an assistant will be made evident.

STATESMEN WOULD LIKE.

Anti-Russian Alliance Between Britain and U.S.

London, May 9.—British statesmen are working to persuade the Washington authorities that the United States interest lies in joint action with the Anglo-Japanese alliance. It is understood that Secretary Hay has already been won to this view, but it is feared President Roosevelt's far-sightedness will enable him to see that Manchuria must eventually become a common market.

His Grace is FAVORABLE.
