Petersen, Low With Bright's Disease.

DOCTORS TESTED HIS URINE AND PRONOUNCED IT BRIGHT'S DISEASE, BUT COULD NOT HELP HIM.

Completely Cured Him After Everything Else Had Failed.

I always enjoyed good health until five years ago when I began to notice repeated backache, which kept increasing. I had sharp stitches and my back felt lame and sore. I had my urine examined, the doctor found it highly colored, with considerable brick-dust, and pronounced it Bright's disease. I had little faith in his prescriptions and brick-dust, and pronounced it Bright's disease. I had little faith in his prescriptions and soon changed, taking some greatly advertised Kidney Cures but with unsatisfactory results until I used Warner's Safe Cure. Within tex days I felt greatly relieved, the pain gradually decreased and soon disappeared, the urine assumed a natural, healthy color, and within four months my health was fully and completely restored.

I have now enjoyed good health for over four years and indorse Warner's Safe Cure as the one infallible remedy for kidney trouble.

Yours very truly, Hon. J. C. Petersen, 722 Plymouth Ave., Minneapolis, Minn.

"SAFE CURE" CURES BACKACHE. you have pains in the back, rheumatism, uric acid poison, rheumatic gout, diabetes,

Bright's disease, inflammation of the bladder and urinary organs; scalding pains when you urinate, eczema, jaundice, swellings or torpid liver; if a woman, bearing-down sensation, fainting spells, so-called female weakness, painful periods; these symptoms tell ng spells, so-called female weakness, painful periods; these symptoms tell kidneys have been diseased for a long time, for kidney diseases seldom put ptoms as the victim recognizes until they have been working several months. You should lose no time—get a bottle of Safe Cure at your druggist's. It will relieve you at once and effect a permanent cure. It kills all disease germs, Boctors prescribe and hospitals use "Safe Cure" exclusively in all cases of kidney or bladder trouble.

IF IN DOUBT MAKE THIS TEST: Let some morning urine stand for twenty-four hours in a glass or bottle. If then it is milky or cloudy or contains a reddish, brick dust sediment, or if particles or germs float about in it, your kidneys are diseased.

ANALYSIS FREE.

If, after you have made this test, you have any doubt in your mind as to the developat of the disease in your system, send a sample of your urine to the Medical Department, ster, N. Y., and 44 Lombard St., Toronto, Can., and our doctors will analyze it and send you a report with advice free of charge to you, together with a valuable book describing all diseases of the kidneys, liver, bladder and blood, and treat-

All letters from women, read and answered by a woman doctor. All correspondence Warner's Safe Cure is purely vegetable and contains no narcotic or harmful drugs, It is free from sediment and pleasant to take. It does not constipate, it is a most valuable and effective tonic; it is a stimulant to digestion and awakens the torpid liver. It repairs the tissues, soothes inflammation and irritation, stimulates the enfeebled organs and heals at the same time. It builds up the body, gives it strength and restores energy. You can buy Safe Cure at any drug store or direct. \$1 A BOTTLE.

Beware of so-called kidney cures which are full of sediment and of bad odor—they are positively harmful and do not cure.

John White, the Cornwall Indian le GRAND TRUNK MANAGER crosse defence player, has been secured BEFORE COMMITTEE. by Port Hope, and Allen and Eastwood of the same team will probable

The Answer Made to Pope's Question.

The raciest incident of the session was, the meeting of the railway com mittee of the House of Commons last week, when the president and the general manager of the Grand Trunk were called upon to explain their plans for the transcontinental line. The temperature of the railway committee always runs pretty high, but on this occasion it was at fever heat. A small but noisy minority were there

GENERAL MANAGER HAYS.

as avowed champions of the rive trans-Canada project, prepared make trouble; and many who came with an open mind could not resist the temptation to tackle the Grand Trunk magnates.

There was a pre'iminary skirmi over the map furnished by the Grand Frunk, but the battle began to rage in carnest when Sir Charles Rivers-Wilson took the floor. Sir Charles was received with a re-assuring round of applause, and got on fairly wel with his set speech for about . ninutes. Then the members began to hurl interrogations, and Sir Charles raised his eyebrows in well-bred surprise. It was evidently a new experience for him. The questions came thicker and faster, and it required all hockey, baseball and cricket. Will it the skill and firmness which have made Mr. Hyman a model chairman to prevent Sir Charles from being swept of his feet. A dozen members were simultaneously shouting gesticulating at him, but the chairman managed to get order out of chaos and give each man his turn. Sir Charles was literally in a sweat box, and looked very much relieved when he got out and gave way to

The attack was renewed even more fiercely, but Mr. Hays came up smil ing after every round, and proceeded to give one of the finest exhibitions of dialectical fencing ever witnessed in the halls of parliament. He disposed of his cross-examiners, one after another, with a dexterity that compell ed the admiration of the committee. and in two or three cases sent it into paroxysms of delight. Rufus Pope. M.P., who prides himself on being a humorist, asked Mr. Hays a question so long and involved that he forgot what he was driving at. "That's a pretty long question," said Mr. Hays. 'All right; give it a short answer," replied Rufus. The committee laughed Pittsburg, 11. At New York, 5; Very well," said Mr. Hays. "My an-"Yes." As else understood the question, the joke caused a roar at Pope's expense and he promptly subsided. Mr. Havs' candor and his extraordinary cleverless in meeting every point raised by nis inquisitors, deeply impressed the committee, and before he finished was the master of the situation. vas a great personal triumph and revenied Mr. Hays as a manager of

men as well as of a railway system. "500 People Badly Bent."

Have in effect used these words peaking of the curative qualities South American Rheumatic Cure-"My egs were crippled"--"My hands were distorted"-"My joints were swollen -"My back was bent double"-"M pain was exruciating"-"Bed ridden for years." ONTARIO'S FISH CATCH.

tatistics From Report of Deputy Minister

Mr. S. T. Bastedo, Deputy Minisannual report, gives a comparative statement of the catch of the varijous fish of the Province. The total value of the catch for the year was \$1,313,676.88, being a decrease of \$114,401.70 from that of 1901. The various yields were in pounds as fol-

Whitefish, 2,860,670, a decrease of 100,770; salted whitefish, 48,500, a decrease of 206,700; herring, 5,225,-651, a decrease of 2,567,784; salted 100; trout, 5,117,568, a decrease of 168,000; salted trout, 227,900, a de-067,814, an increase of 326,800; cels. 73,238, a decrease of 1,952; tullible, 58,708, an increase of 26,-

Revenue of the Department.

The revenue from the department was \$40,140,70, an increase of \$4,-258; the total expenditure for purposes was \$33,514, an increase of \$953. The estimated value of the plant was \$816,392, an increase of \$67,321. There were 124 tugs with come to see me, my face was in such a 589 men, as compared with 101 terrible state. I tried everything I could tugs and 489 men in 1901 engaged

313 men in 1901. Licenses were is- first bottle made. Altogether I took seven sued for 2,538,678 yards of gill net, bottles and am now completely cured and 98 seines, 479 pond nets, 379 hoop nets, 122 dip nets, and 24,455 hooks os compared with 2,410,627 yards of gill net, 102 seines, 432 pond nets, 484 hoop nets, 3 dip nets and 34,-315 hooks in 1901. Each year licenses were issued for 3 machines for winding up hets on the Niagara Riv-

breaches of the law, as compared with 121 in 1901, which the Deputy Minister considers as a favorable sign that the fishermen are recognizing that it is to their own interests observe the law. The amount obtained from fines was \$5.40, as compared with \$1,527 in 1901. There were seized 111 gill nets, 28 seines, 82 traps, 4 hoop nets, 12 spears, 2 boats and 27 night lights.

Dominion Government's Work. The Dominion Government during the year deposited 101,896,000 fry

in Ontario waters. The Dominion station in Georgian Bay, on Island 121, in Gohome Bay, for studying the habits of fish, began work last summer. A complete hydrographic servey of the ish are nearly all over here. The Am- | vicinity is being made, and a survey erican girl goes to the city, works in of the islands and reefs lying bea store for from \$3 to \$5 a week, ra | tween Station Island and Red Rock housework. With this small salary it the fish from specimens taken is beis impossible to board and clothe her- | ing made a feature of the work, and the district, with special reference acter. The country may be a little to those of commercial value, will be made. A collection is also being made of the classes of land and marsh birds and the plants and animals of the surrounding country. A hatch pond for bass has been prepared and bass deposited therein. Their spawning will be carefully studied. Meteorological observations were al-

so conducted and records kept. There is a great variety of fish in the neighborhood of the station, and the members of it feel that if they were able to make thorough inquiry into the lives and habits of them all vast quantity of valuable information could be obtained.

Canada Misunderstood

Canada is the one colony which has been continually misunderstood in England. Just as the English people were awakening to its real character and were beginning to take an interest in its future Mr. Rudyard Kipling checked the movement with a phrase. Canada is My Lady of the Snows in the imagination of Englishmen. Any well informed Canadian will admit that, in his opinion, this phrase threatens to throw This is only one of a hundred like back the development of the colony cases which have been committed by by a decade. Canada has to live down this poetical liberty, behind morning's papers contains one or more | which and supporting it is the prejudice of years.
