> JUNE FIFTH IS CIRCUS DAY Ringling Bros. Are Coming with The Biggest Show on Earth.

Friday, June 5th, is Ringling Bros. ircus day. The greatest show in the world. This year the Ringling brothers' great shows are almost twice as big as ever before. The great tent will seat comfortably 18,000 people, and the menagerie canvas is the largest ever made, furnishing room for 108 cages, dens and tanks. There are 650 horses with the huge shows. The zoological collection is the rarest in exstence. It exhibits two graffes; the only rhinoceros in captivity; a genuine baby elephant, Baby Boo, Lorn January 8th, 1903, and only thirty inches high, unweaned and as playful as a kitten; and the greatest herd of elephants in the world, forty in number. Twenty of these perform amazing tricks in the rings. Two groups of acting seals are another exclusive feature. They are shown on separate stages, and act in unison at the di rection of their owner and trainer. Capt. Webb. Many of the acrobats. gymnasts, equestrians, riders, equill brists, jugglers, athletes, contortion dancers and wire artists are introduced by the Ringling Bros. for the magnificently costumed spec tacle, Jerusalem and the Crusade 1.200 characters, and a ballet of 30 beauties and singing chorus of 200 More then 200 daintily fashcostumes are worn and the stage is larger than the combine stage room of 100 theatres. A huge

pipe organ, the only portable one band of fifty soloists, render the specially composed music. Show day will begin with the grand free street parade, which with Ringling Bros, is a unique and delightful treat. It is twice longer than the procession of any other show, and every man, woman and child with the mmense organization takes some part. Two performances will be given in Kingston; in the afternoon at two o'clock and at night at eight o'clock. Other speakers denounced the flag, Reserved seat checks and general admission tickets will be on sale on said in most emphatic terms that show day at McAuley's book store.
