Doan's

Kidney Pills

Oured Mr. George Graves, Pitts Ferry, Out., of a very bad case of kidney trouble.

He tells about the cure in the following

words: "I cannot recommend Doan Kidney Pills too highly. I never took any. thing that did me so much good. I had a

severe pain in the small of my back and

could scarcely get up or down without

help. I could hardly urinate, but when

did the pain was terrible. I was in the

Hotel Dieu, Kingston, last winter and

when I came out I was some better but not

cured. It was then I saw Doan's Kidney

Pills advertised. Since taking them I have

been completely cured and have not had

son - New Theatre - Beaches Open-Electrical Advertising

Boston, Mass., May 20.-Last Thurso'clock the sky was overcast by dark cloud, soon rain began to sprinkle, which soon became a heavy downpour. Sharp lightning began to flash, followed by heavy thunder, the rain continued to fall until about magnificent, and although several heavy thunder reports were heard, no damage has been reported. Boston is adding another new theatre to her already long list. This one

is being built by Weber and Fields. and promises, when completed to be Boston's finest. The outward structure is completed and presents a fine appearance. The front is very artistically designed. The interior decora ern style obtainable It will be com pleted by September 1st. Sunday was the hottest day this season. The thermometer registered

seventy-nine in the shade at noon.

The beaches were crowded with people

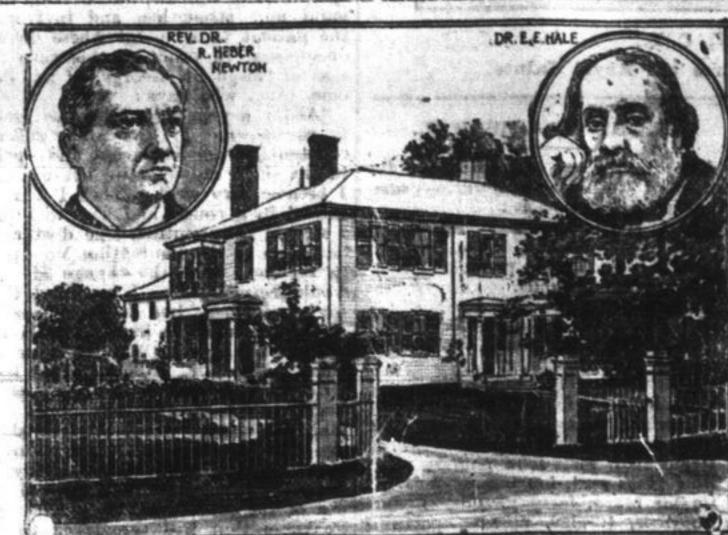

with a single bullet from a revolver. Just before four o'clock this morning fire was discovered on the fourth the building, No. 394 Atlantic avenue. Three alarms were rung in and summoned some fifteen engines and other apparatus. The firemen were hampered in their work by closed shutters on the building. While at work in the rear of the building. fireman received an incised wound in the face, which necessitated his removal to the Relief Hospital. This is thunderstorm of the season. At seven the third time within the last two years that this building has been For the first time in the history of man as a lawyer appeared in court Amy F. "Love Laughs At Locksmiths" As South American Kidney laughs at lisease. It's the seemingly impossible doors to disease that it unlocks that for every cure there is a proof if you care to investigate. It is a liquid kidnev specific and it never fails. Makes and keeps men "fit" and well. Sold by Henry Wade and H. B. Taylor,-

Mrs. Robert Clark, Brockville, ill from the melting sun. It is estimated | since January last, died on May 20th, that there were 35,000 people at the aged forty-nine years. The husband

The home of the late Ralph Waldo Emerson, one of America's greatest philosophers, the one hundredth anniversary of whose birth will be celebrated all over the United States on Sunday. Dr. Evert E. Hale and Dr. R. Heber Newton are among the celebrated ministers most prominently connected with the celebration.

houses are not open yet; some took bathing suits with them and took

their first dip of the season. Opposite the North Station Elevat railway is an electrical sign board which can be used to advertise any thing by its mechanism, and certain ty reflects "much credit on its inventor. It is the forming of letters and words by means of electric lights, operated on an automatic switchboard. One of its great features is that, by its brilliancy it attracts the attention of all within sight of it. The changing from one subject to another done instantly by touching the letter after the old sign is shut off by means of a switch. These boards are being placed in different conspicuous parts of the city and are as good an ad vertisement as a Sunday newspaper. Since early last fall there has been

Vanderbilt sailed for Europe to in the city from Newport the day before, making the trip by auto in Mr. | the gate." Vanderbilt's foreign touring car. The trip was a record breaker, some Boston reporters who tried to follow them said it was like trying to keep on the track of a Kansas cyclone. When they arrived at the Somerset Hotel they were surrounded with cameras. Mrs. Vanderbilt shielded her face with camera and made a rush for the hotel. The dock was crowded where the Dominion liner New England sailed ingly)-Or so many homely min. from. The police kept close watch on the costly wedding jewels whilst they were being taken from the hotel to the

The city and suburban towns are busy fighting the brown tail moths which for the past two years have waged destruction on the trees in the streets and parks. As they do not build nests but cling to the unde side of the leaves, it makes it diffi cult to exterminate them, which can only be done by continuous spraying. Panama hats are again making their appearance, trunks are being packed for the seashore, and instead of the card on the office door reading "Return Monday 1 p.m." it reads, "At the sea-shore, return September 1st.

If Boston is favored with as cool weather this season as last it will be as well to remain in the city Mrs. "Jack" Gardner, the Back Bay society woman, is again in trouble Last Thursday some unscrupulous law-breaker fired a shot through one of the stained glass windows in her Venetian Palace. The bullet grazed a passed close to the head of a guest, who although not struck, was badly scared. The window, it is said, cost \$500, to say nothing of the transpor-tation and putting it in place. She notified the police, but claims she reappealed to Judge Emmons, for what she called necessary protection. As her palace contains so many valuable art
