

ONTARIO SYNOD

SEVERAL SPECIAL COMMITTEES WERE NAMED.

The Capital of Various Funds—A Resolution Presented of Sympathy With The Sorely Afflicted Jews.

The charge of Bishop Mills, delivered at the Synod of Ontario took up an hour and a half of the session of the synod Tuesday afternoon.

As last year's meeting, a resolution was adopted asking the Archbishop of Canterbury and York to remove obstacles in the way of colonial clergy men desiring to take up duties in Canada.

A communication was read from the cathedral bishop of Montreal, asking this synod as well as synods throughout Ontario to co-operate with Montreal synod in the endeavor to organize a Canadian church congress.

The synod named the dean of Ontario, the two archdeacons, Chancellor, W. H. Rogers and Judge McDonald a committee to confer with committees from other dioceses with reference to the formation of the proposed congress.

Archdeacon Worrell presented the report of the committee on religious instruction, recommending that a committee be appointed to draft a syllabus of lessons from old and new testaments.

Canon Jarvis presented the report of the committee on the fund for the purchase of the land on which the new cathedral is to be built.

WEDDING BELLS

QUEEN'S WEATHER FOR THE MARRIAGE.

Which Took Place This Morning—Beautiful Gifts From St. Paul's Sunday School to The Popular Bride.

A very quiet but pretty wedding took place this morning at St. Paul's church, when Miss Margaret, daughter of Captain John Gaskin, was married to W. W. Sands, J.D.

The bride was accompanied by her father, and the groom by his best man, Mr. Gaskin. The ceremony was performed in the fine old house on Ontario street, and gave the bride away. The latter wore her smart travelling dress of brown lisle.

There was some discussion upon the report of the committee on the fund for the purchase of the land on which the new cathedral is to be built.

Several elegiacs were read, and candidates for the fund were named. The fund was not larger and that greater attention was not given to it.

Discussion was suspended at six o'clock and was slated for first order of business at Wednesday morning session, with Rev. A. L. McFar on the floor.

SPORTS IN GENERAL.

Notes About The Various Sporting Fields.

It is a sad fact that Montreal will replace Rochester in the Eastern Baseball League within a month.

Toronto University won the first international lacrosse match from the Crescent City, N. Y., on May 4.

Lydia Carpenter, fifteen years old, won the girls' record for high jumping in America, clearing four feet three and three-eighths inches in a competition at Hatesburg, N. Y.

The Montreal Witness gives Kingston a write up in connection with the conference. It called it "a favorite town for church assemblies."

The conference church is the Synodical Street Methodist church, the pastor of which is Rev. John Philip, D.D., temporarily in absentia, having been ordered away for a complete rest by his physician.

This is a church with a membership of over four hundred and one of the leading churches in the conference. The church proper seats about fifteen hundred; it is magnificently furnished, having adjoining the church proper a church hall and parlor.
