Free Medical Advice to Women

Every sick and aiming woman Every young girl who suffers monthly,

Every woman who is approaching maternity. Every woman who feels that life is a burden.

Every woman who has tried all other means to regain health without success. Every woman who is going through that critical time - the change of life is invited to write to Mrs. Pinkham, Lynn, Mass., in regard to her trouble, and the most expert advice telling exactly how to obtain a CURE will be sent absolutely free of cost.

The one thing that qualifies a person to give advice on any subject is experience - experience creates knowledge. No other person has so wide an experience with female ills nor such

a record of success as Mrs. Pinkham has had a week a lower of the lowe Over a hundred thousand cases come before her each year. Some personally, others by mail. And this has been going on for twenty years, day after day, and day after day. Twenty years of constant success - think of the knowledge thus

gained! Surely women are wise in seeking advice from a woman with such an experience, especially when it is free. Mrs. Hayes, of Doston, wrote to Mrs. Pinkham when she was in great trouble. Her letter shows the result. There are actually

thousands of such letters in Mrs. Pinkham's possession. DEAR MES. PINKHAM: - I have been under doctors' treatment for female troubles for some time, but without any relief. They now tell me I have a fibroid tumor. I cannot sit down without great pain, and the soreness extends up my spine. I have bearing down pains both back and front. My abdomen is swollen, I cannot wear my clothes with any comfort. Womb is dreadfully swollen, and I have had flowing spells for three years. My appetite is not good. I cannot walk or be on my feet for any length of time.

"The symptoms of Fibroid Tumor, given in your little book, accurately describe my case, so I write to you for advice." - MRS. E. F. HAYES, 252 Dudley St. (Boston), Roxbury, Mass.

"DEAR MRS. PINKHAM :- I wrote to you describing my symptoms, and asked your advice. You replied, and I followed all your directions carefully for several months, and to-day I am a well woman. "The use of Lydia E. Pinkham's Vegetable Compound, together with your advice, carefully followed, entirely expelled the tumor, and strengthened the whole system. I can walk miles now.

"Your Vegetable Compound is worth five dollars a drop. I advise all women who are afflicted with tumors, or any female trouble, to write you for advice, and give it a faithful trial." - Mrs. E. F. Harns, 222 Dudley St. (Boston), Roxbury, Mass.

Mrs. Hayes will gladly answer any and all letters that may be addressed to her asking about her illness, and how hirs. Pinkbam helped her.

\$5000 FORFEIT if we cannot forthwith produce the original letter and signature of above testimonial, which will prove its absolute genuineness.
