IMPOSED TEN PER CENT. EX TRA ON FOREIGN GOODS.

Not Probable That This Will Shut Out Goods To The Advantage Of Great Britain-An Election | London cable says that the state-Is Apparently Nearer.

London, June 18.-In moving nerman said that Mr. Balfour's and asked Mr. Balfour to say if the go !ernment had a definite policy or to great changes assumed by New South overnment's accepted policy. He further wanted the prime minister to say that the country shall not be gradual ly committed against its will an without its knowledge to changes so vast and critical.

Mr. Balfour taunted with not challenging the government to a debate on the whole subject of its fiscal policy. He said they were afraid to move a vote of want of confidence in the government. Dealing specifically with the passage of the recent speech of the governor of New South Wales, in which satisfaction was espressed at the "declaration by the British government, that every selfgoverning colony shall be secured in the free exercises of its rights to enter nto closer trade relations with the mother country," Mr. Balfour said "This government is unanimobsly at one with the government of New South Wales in favor of an investiga tion. Are we to understand that other countries penalize our colonies the liberals, if they came into power would sit silently by and watch th process of intimidation going on ! Would they tell the colonies that they had nothing more to hope from us than they suffered from giving us pre-
