The Blood is the Life

But the power of the blood We Protect Your Investment is largely lost if the quality of the blood is poor.

Build up the quality of the blood by increasing the number of red corpuscles, make it rich, red and warm, and its power to build new tissue and repair waste will be tremendous.

Ferrol, a perfect emulsion of Cod Liver Oil, Iron and Phosphorus, improves the quality of the blood rapidly and effectively-it never fails. Results are not only positive but marvellous, and have been proven by scientific test.

For general debility, loss of weight, impaired digestion, loss of appetite, nervousness, insomnia and kindred troubles, take Ferrol, which enriches the blood and removes the cause of the trouble.
