Milburn's Heart and Nerve

Pills Effected a Complete Cure in the Case of MRS. CAROLINE HUTT, Morrisburg, Ont.

She says: "It affords me great pleasure to speak about what your Heart and Nerve. Pills have done for me. About a year ago I was taken ill with heart trouble and got so bad that I was unable to do any work for four or five months. I got so weak and miserable that my friends thought was going to die. The doctor attended me for some time but I continued to grow worse. At last I decided to try Milburn's Heart and Nerve Pills, and after taking two boxes they made me well and strong again. I cannot praise them too highly to those suffering from nervous weakness and heart troubles."
