PRIZES GIVEN.

LORD DUNDONALD'S INTEREST IN MEN IN CAMP

A Concert Held Last Night—The Names Of Officers — Better Drainage Must Be Supplied if The City Wishes To Retain the Camp—Some of The Regiments Had To Move.

The rain at the big military camp at Barriefield certainly caused a great deal of inconvenience. It came down in torrents, remained on the ill-drained ground in pools, and caused much trouble. It necessitated the removal to higher ground of at least three regiments, and that, once the lines were down, meant a deal of work. The men ate in hopes they have about had their share of the "wet" and are looking for bright, warm weather during the next ten or twelve days. With the exception of the unfavorableness of the elements everything in camp is progressing favorably and the food, both as to quality and quantity seems to please the staff and rank and file of every regiment in camp.

The following notice issued yesterday dealt with a mark of courtesy shown to the men in camp by Lord Dundonald with the end in view of encouraging talent and affording entertainment for the men:

"A camp concert will be held this (Thursday) evening on the grounds in front of the 8th Infantry Brigade. Maj.-Gen. the Earl of Dundonald, C.B., commanding the Canadian militia has kindly offered fifteen dollars in prizes for the best talent, viz., first prize, $7; second prize, $5; third prize, $3. Competitors will hand their names to Capt. de la Ronde, D.A.Q. M.G., not later than three o'clock this afternoon. The committee to make arrangements is Col. W. D. Gordon, Lieut.-Col. W. E. Hodgins, Lieut.-Col. John Hughes, Maj. L. W. Shannon, Maj. A. B. Cunningham, Capt. J. Carlon, Capt. de la Ronde, Lieut. Hilliardson, Color-Sergt. Bailey, Sergt. Spence, Sergt. Aldred."

The orders issued yesterday from headquarters were as follows:

Detail—Divisional medical orderly officer to-morrow, Surg.-Capt. Kilborn, 4th Hussars. Next for duty Surg.-Capt. Alger, 49th Regiment.

Instructional staff—Capt. J. Kaye, R.C.R., is detailed to assist Capt. A. Clyde Caldwell. Capt. J. Carlon, R.C.R., and Lieut. Carr-Harris, R.C., to assist Maj. Carpenter, R.C.R.

Divisional N. C. O. staff—Sergt.-Maj. Franklin, C.A.S.C., to be supply sergeant.

Instructors—Sergt. Hazleton is detailed as instructor to C.A.S.C.

Inspection of rations—The board detailed in instructions for camps will not assemble unless specially ordered.

Cavalry waggons—The cavalry waggons will be paraded daily at 2:30 p. m., with the A.S.C. waggons on the ground to the right of the A.S.C. lines.

Strength—Trooper Trebilcock, "A" squadron, 3rd Dragoons, is struck off the strength of the division from this date.

Leave—Capt. Campbell, 40th Regiment, is granted leave of absence from the 27th to the 28th inst."

A Sunday Service.

Officers and N.C.O's. and men desirous of joining the choir for divine service on Sunday next were to meet at divisional headquarters at 4.45 o'clock this afternoon.

Mr. Hanley, G.T.R. agent, has expressed a wish to meet the C.O's. of units at the divisional office, at 4.30 o'clock p.m., on Saturday, 27th inst.

As Major White of Kingston is now supply officer of the brigade staff, the charge of the Army Service Corps for a time devolves upon Capt. E. C. Dean, meaning considerable additional work and responsibility for him.

A large amount of lumber had to be taken over to the camp and placed in many of the tents which otherwise would not have been fit for use. The carrying of this, and arranging it, kept many busy yesterday afternoon.

One of the "hustlers" in camp is Quartermaster Aiken of the 4th Hussars. In connection with the removal of the troop from one locality in the field to another, the ground had to be all measured off again and much of this work devolved on him.

Lieut. Joseph Pircell of Pittsburgh township is connected with the 4th Hussars.

A young Kingstonian belonging to the Army Service Corps is in the camp hospital suffering from inflammation of the eye.

Major Abbott has a word of welcome for all the Kingstonians that visit camp.

Col. Clyde, the popular commanding officer of the 4th Hussars is in camp for about the thirtieth time. He expresses himself as being well satisfied with the food supply, but never remembers seeing the grounds in such a bad condition from rain.

Two Kingston confectioners who daily take loads of buns, cakes, pies, etc., to the camp soon get rid of them.

The strength of the 4th Hussars this year is 305 men and 302 horses. The horses compare favorably with those in camp other years.

They Moved To Higher Ground.

Dr. Kilborn is acting surgeon to the 4th Hussars in place of Major Duff, who is principal medical officer of the camp.

The rumor that a contemporary published as to a boy from Prescott not getting the attention he, as a member of the 4th Hussars was entitled to, is denied by Col. Clyde and others.

The strength of the 3rd Dragoons is 257 men and 247 horses. The officers of this cavalry corps are: Col. D. Sutton, Millbrook; Major Brown, Colborne; Major Johnston (acting as adjutant), Peterboro; Major Rogers, Grafton; Major Syer, Millbrook; Capt. McDonald, Prince Edward; Capt. McLaughlin, Bowmanville; Capt. Hall, Peterboro; Lieuts. Brown and Dudley, Colborne.

The whole strength, practically, of both the cavalry regiments in camp was made use of yesterday to move the "lines." From the main camp where they were in low land, on which dozens of pools of water could be seen, they removed across the road from the main camp and although still is anything but an ideal spot, conditions are partially improved for them.

Major Grafton, Major Brown, Lieut. Brown, Lieut. Price and several of the rank and file of the 3rd Dragoons from Peterboro, have seen service in South Africa.

A large number attended the concert held last night in the lines of the 56th Regiment.

The camp grounds must be drained properly. An officer high in authority has stated that unless they are, a military camp will never again be held in Kingston. He asserts that this year, strong inducements were held out by other places for the camp, but for special reasons it came to Kingston. Before next year, if the civic authorities do not see to the adequate draining of the grounds the Limestone City will be passed by. The grounds after the rains are simply disgraceful. Much discomfort could have been avoided, and a vast amount at least mitigated to a marked degree had there been more attention paid to the drainage question.

Sutherland's Watchful Eye.

There are seven cases in the hospital, but they are nearly all various forms of cold. One man has mumps, but he is isolated in a tent by himself and there is no danger of the disease spreading.

Carl Jamieson of Kingston, is probably the youngest soldier in camp. He belongs to the Army Service Corps.

The "big shed" where the supplies are stored is cleaned out thoroughly every night, as Lieut. "Jim" Sutherland makes it a rule to call the attention of his men to the passage of scripture relative to "cleanliness being next to godliness." The old quartermasters in camp are amazed at the new system of giving out supplies and as they gaze at the elaborate uniforms of Capt. Dean, Lieut. Sutherland and their men, think they are some special government corps who has been at the business of serving out stores, for years.

A King street restaurant keeper is on the grounds "ready for business." As usual the Y.M.C.A. tent is in evidence, well supplied with books, papers, periodicals, and writing material for the convenience of the men.

By a peculiar coincidence the camp canteen is right next to it, and is doing a rushing business.

The water supply is good, but is not ready as promptly in the morning as is desirable. Some of the officers claim they cannot get water early when they want it.

Dr. Duff, P.M.O., yesterday gave an admirable lecture on "Medical Service Work," to the different surgeons, and Field Hospital Corps officers in camp. It was most instructive.

To-day the men of both the 5th and 6th brigades exercised in the morning from 8.30 to 10, and again from 10.30 to 12; and two and one half hours in the afternoon. They were instructed in gun squad drill, rifle exercise, signals, reconnaissance and musketry drill.

During the camp a voluntary class of two days' instructions in sketching without instruments will be held.

The syllabus of work for militia camps for 1903, says that the special class will fire service ammunition at Three Rivers. Miniature ammunition will be fired at the other camp.

Sun Shine For Soldiers.

The men in camp were in better spirits this morning when they enjoyed "Old Sol's" gracious rays. The grounds are drying up quite rapidly and by this afternoon the improvement was noticeable.

Last Night's Excursion.

The excursion last night by the Young Ladies' Guild of St. Andrew's church in aid of the nurses' home was attended by 350 people. A dark, rainy day turned into a beautifully clear and still night, and the sail down the river on the steamer America was greatly enjoyed. The steamer went down to the foot of Howe Island, and returned to the ferry wharf as the city clock struck eleven. A goodly sum was realized by the sale of refreshments aboard.

A Collegiate Teacher.

The business which necessitated such a lengthy session of the management committee of the Board of Education lately was a complaint preferred regarding a member of the teaching staff whose work has not been quite satisfactory. The matter has not been definitely settled yet, but may come up at the next meeting. Trustees have expressed the hope that the difficulty will soon be settled.

A Fine Assortment.

The business office staff of the Whig have to tender thanks to "Tom" Ferguson and the assistants in his King street fruit and confectionary store for a finely decorated basket of "good things," including strawberries as large as baseballs—nearly. It was a splendid sample of the goods handled in this up-to-date store.

Excursion To Ogdensburg.

This morning the first of the season's excursions to Ogdensburg took place. The steamer New York left at 8:30 o'clock with about a hundred people. Large numbers would be taken aboard at river points.

Soon To Be Married.

The wedding bells will soon be ringing for a well-known couple in Kingston. The bride-to-be is one of the British-American hotel staff.

Saturday—Bargains in tea and sugar, extra choice butter and eggs, at E. A. Runians, 246 Princess street.

Long Hair

"One year ago my hair came out very fast, so I tried Ayer's Hair Vigor. It stopped the falling and made my hair grow, until now it is 45 inches long."—Mrs. A. Boydston, Atchison, Kans.

Ill. All druggists. J. C. AYER CO., Lowell, Mass.

DAY'S EPISODES

LOCAL NOTES AND THINGS IN GENERAL.

Occurrences in the City and Vicinity—Other Brief Items of Interest to the People.

There was no session of the police court this morning.

We lead in toilet requisites. Taylor's Palm Garden Drug Store.

A complete telephone system is to be placed in the penitentiary.

A seasonable delicacy—strawberry shortcake, at W. J. Crothers.

A district meeting of the local L.O. L.'s. will be held in this city next week.

So far this year there has been practically no drunkenness at the camp at Barriefield.

Saturday—Pure tomato catsup, only 5c. per bottle, at E. A. Runians, 246 Princess street.

If the bride is only happy whom the sun shines on, bridal happiness is scant these days.

Something exceedingly toothsome and delicious. Rich orange cream cake at W. J. Crothers.

One or two members of "A" Battery from the military camp at Deseronto, were in the city yesterday.

H. Cunningham, piano tuner from Chickering's, New York. Orders received at McAuley's bookstore.

A couple of drunks, last night, going up Princess street singing and shouting attracted much attention.

Parker Fountain Pens at Taylor's Palm Garden Drug Store.

The fair directors did not meet last night. It is likely they will have a meeting some time within a few days.

The fire alarm boxes, done in aluminum and green are a great improvement, and can now more easily be distinguished from other boxes.

Saturday—Choice loose baking powder, 10c. per lb. A snap at E. A. Runians, 246 Princess street.

The Standard Bank has granted a living allowance of $100 to each of their employees at Toronto, Woodstock, Chatham and Kingston.

"Wanted in New York." Think of it. One of our customers taking two bottles of Gibson's Red Cross Iron Quinine Tonic. He had tried last week.

Mitchell & Wilson are busily engaged in the erection of a cottage on Bluff Island, one of the prettiest in the Admiralty group, for Dr. F. E. Toft, Rochester, N.Y., which they expect to have completed by July 15th.

There is not a grain vessel in the harbor to-day. The blockade of a week ago is over, and its like may not occur again in five years. Kingston is easily capable of handling all the grain that will come here.

If it's a bilious attack, take Chamberlain's Stomach and Liver Tablets and a quick recovery is certain. For sale by all druggists.

Foreign and domestic fruits in ample variety at Crothers. Select California peaches and apricots—extra fine Jumbo pineapples—choicest Florida tomatoes, etc. W. J. Crothers.

Belleville Intelligencer: Kingston's police magistrate has a fashion of dealing with juvenile offenders which seems to work successfully. He orders them flogged handsomely. How would that cure work in other places?

During the two weeks of the camp, a guard has been placed on Cataraqui bridge to prevent anyone running their horse across the wooden structure. Already several have been "held up" and told they were breaking the law.

The Fire Alarm Boxes.

The idea of having the Kingston fire alarm boxes painted aluminum in color was suggested by Alderman R. N. F. McFarlane, chairman of the fire and light committee. The object is to have them different in color to the post boxes, so as to avoid confusion. Every alarm box in the city will be given a coating of the paint.

Saturday's Whig.

Buy a copy of Saturday's ten page Whig. It will have an illustrated article on Methodism and the bi-centenary of John Wesley, Broadbrim's letter, fashions, a royal diamond wedding, church news and all the telegraphic and local news of the day. The paper will be out early, so that those leaving the city can secure it before going.

WENT VISITING.

What She Learned At The Old Home.

After being away from the old home for years folks sometimes go back and find some surprising changes. An Ohio lady says: "I learned something valuable about coffee when I went home. I had been sick all the time with heart trouble and headaches and used a great deal of medicine without getting better. One time I went to my old house on a visit and there found my father and mother using Postum Food Coffee and both feeling so fine and well.

"They both begged me to try Postum and I finally did so to please them and to my great surprise I began to improve immediately. After using Postum in place of coffee for a short time the heart trouble stopped entirely and did not return except when I tried some coffee while on a visit to a friend's house. Now we use Postum exclusively in our family and husband and the children enjoy the fine drink as much as I do and we are well.

"There is a lady living near us who had been sick for years, doctoring all the time and not getting any better. We sold her a package of our Postum and now they use it all the time and she is better than for years before and says Postum did it all. Her name is ——

"I enclose the names of my father and mother who are fine healthy examples of the advantages of using Postum in the place of coffee." All the above names given by Postum Co., Battle Creek, Mich.

THE PUBLIC SCHOOLS.

They Closed To-Day—The Little Kindergartens At a Picnic.

Over two thousand pupils of the Kingston public schools rejoiced to-day, as it meant the end of books and studies for some time. The flags were flying on all the schools, signifying that the end of the January-June session had arrived.

The schools will not re-open until the first week in September, and during the holidays the various rooms will be painted, kalsomined, generally repainted, etc., wherever necessary.

In a few of the classes closing exercises were held, the pupils being visited by parents or trustees in some cases.

There are no special set examinations as regards the classes up to the junior fourth at this time of year; promotions are made by principals and inspectors as a result of work done in the way of weekly class examinations, during the term. The names of those promoted in this way will be announced in a week or ten days.

On Thursday the little ones of the Central School kindergarten class entertained their parents and friends. Their room was beautifully decorated. Both it, and the two hours programme of songs, marches, drills, etc. the children's gave reflected credit on Miss E. W. Jones, the teacher in charge, and Miss Wilder, who assisted her. At the close of the exercises each child was presented with a little basket of flowers, the basket having been made by themselves in class. Revs. Eber Crummy and John Mackie; also D. A. Shaw, chairman of the Central school, were among those present.

This afternoon, Miss Jones entertained the sixty "youngsters" at a picnic at Lake Ontario Park. Their delight at the ride on the cars, the swings at the park, Mr. Jones' attractive merry-go-round, etc., was unbounded.

The separate schools and the Collegiate Institute also closed this afternoon.

PERSONAL MENTION.

Movements Of The People—What They Are Saying And Doing.

Henry Folger is in New York on business.

Miss Edith M. Jones, Syracuse, N. Y., is visiting city friends.

Miss Bertie Davis, Kingston, is visiting her cousin, James Barlow, Belleville.

Mrs. T. Haffner, a patient at the General Hospital passed a very fair night and is doing well.

Mrs. R. J. Stevenson, Toronto, accompanied by her little daughter Grace, is visiting friends in the city.

Lord Dundonald, Lieut.-Col. Gordon, D.S.O., Lieut.-Col. Hemming, and Lieut.-Col. J. Hughes will inspect the St. Andrew's Highland Cadets at the armouries to-night at 8:45 p.m.

R. F. Fleming, principal of Garden Island school, in company with his aunt, of Owen Sound, leave on the S. S. Tunisian, Saturday, for a trip through the British Isles and the continent.

On Wednesday last Rev. William Frizzell performed the ceremony of marriage between Ernest Franklin Montgomery, Guelph, and Miss Mary McDonald, daughter of the late Alexander McDonald, Kingston.

MARINE INTELLIGENCE.

What is Going on in Harbor And Elsewhere.

Craig's wharf: Steamers Alexandria and Cuba up.

Swift's wharf: Steamers Kingston down and up; Hamilton up to-night.

The steamer Petrel was to leave to-day with her consort for Newfoundland.

The New Post Foxes.

The new boxes at the Wellington street side of the post office are a decided improvement. They are made of brass, handsomely plated, and are large enough to admit of the dropping into the box of any sized letters or parcels. They swing inward on somewhat the same principle as the lids of the large parcel postal boxes at several street corners do. Arrangements will be made for a protection overhead, so that those mailing anything may not be inconvenienced when the weather is unfavorable.

The Story Denied.

Major Binnington, of the 4th Hussars, denies the statement in the News-Times that a boy named Dear, from Prescott, was ill-treated by his men. The boy, he says, was told not to come to camp, but did so in spite of warnings. He was given a place to sleep and his breakfast Wednesday morning. Then he skipped off, himself. The story he told was untruthful.

The Fall Sittings.

The assize list for the fall sittings of the high court of justice are published. The dates are Kingston, non-jury, November 16th, Justice Street; jury, September 29th, Justice Teetzel, Napanee, non-jury, November 23rd, before Chief Justice of common pleas; jury, October 12th, Justice Teetzel; Picton, jury and non-jury, October 19th, Justice Teetzel.

Excursions To Rochester.

For Dominion day and 4th of July, per steamers "North King," "Alexandria" and "Caspian," on regular time. Return fare, $2.50 going 30th June or $2 going 3rd and 4th July. All tickets good to return till 6th July. Full information from J. P. Hanley.

As Cool As A Sea Breeze.

The most up-to-date styles in straw hats are as usual to be found here. Sonnits, palms, manillas, rustics, splits and everything new in men's fine straw hats from low prices right up to the very highest grades at Campbell Bros., 84 Princess street.

Examination Papers.

The teachers at the Separate schools are busy holding examination papers on which the pupils have been writing since Wednesday. On the results of these will depend the promotion of pupils from one class to another.

Big reduction in corsets at New York dress reform.

UNDERGROUND WIRING

DISCUSSED BY CIVIC COMMITTEES.

Bell Telephone Must Submit Definite Proposition Before Any Right Is Granted.

A joint meeting of the civic finance and works committee was held yesterday afternoon. There were present Mayor Bell (who presided); Aldermen McFarlane, Behan, Hoag, McLeod, Sears, King Kent and Walkem; City Engineer Kirkpatrick and City Solicitor McIntyre. Mr. Snelling was present in behalf of the company.

The matter of consideration was the application of the Bell Telephone company for permission to lay their wires under the streets which the city contemplates paving. Mr. Snelling in reply to a question stated that the wires would be put down to the depth of two feet. The company, he said, would like to put the wires down whether the city decided to pave the streets this year or not.

City Solicitor McIntyre stated that the company's agreement with the city had a little over a year yet to run. The company paid $400 a year for its monopoly in Kingston.

In reply to Mayor Bell, Mr. Snelling stated that there was hardly any chance of the company reducing the price of telephones for the next five years, as big expense was to be put on the extension of the service.

Ald. McLeod moved that the Bell Telephone company be granted the right they asked.

The city solicitor brought this point to the committee's attention: The company was asking for a right. Should it not pay the city for it? That was a very important matter.

Ald. Kent claimed that before any new agreement was made with the company, the provision should be made for better telephones. More modern ones were required, in fact a better service all round.

The mayor stated that an application is now in the city clerk's office from another company, asking for the right to operate here, and agreeing to supply all telephones at $15 each.

Alds. McFarlane and Hoag thought it best that any further rights given to the company should be incorporated in a new agreement.

Ald. Kent said that Kingston wanted no rival telephone companies. A rivalry would be the worst thing conceivable. He claimed, that owing to competition from outside concerns, the Bell Telephone company should pay Kingston a higher rental for the streets, give a better service and lower rates. Mr. Snelling repeated that there would be no lowering of rates.

Ald. King pointed out that as the city was not going to pave the streets this year, there was no special hurry regarding the laying of the wires. It would be better if a more definite proposition in writing was received from the company. Ald. Behan was also of the same opinion. The time had not arrived, he claimed, for the committee to take action until they knew exactly what was wanted. Ald. McLeod moved that the communication be referred back to the company for more particulars on these points: (1) As to the portions of streets for underground wiring, (2) character of construction; (3) the term of years they wish on substitution for the unexpired term of the present contract; (4) what improvement in the present system they intend to make; (5) the rental they are willing to pay in cash and for the telephone service; (6) the rates to subscribers for the proposed term of years.

This motion was carried, and the meeting adjourned after over an hour's deliberation.

BOARD OF WORKS.

Eight Petitions Against Asphalt Walks Granted.

The civic board of works met late yesterday afternoon with Chairman McLeod and Aldermen Sears, McFarlane, Hoag and Walkem in attendance. Eight petitions against the laying of asphalt walks were sufficiently signed, and accordingly granted. Three other like petitions were referred to the city solicitor for a report as to sufficient signatures.

The claim of Mrs. Margaret O'Neill for damages arising out of an accident that occurred to her in March last, on Princess street, owing to the alleged defective conditions of the sidewalk, was referred to the city solicitor for a report.

The petition of Daniel Corrigan and others against a nuisance in the form of an open sewer on the east and west sides of Division street, at its intersection with Russell street, was referred to the chairman, the engineer and Alderman Hoag.

It was decided to send the by-laws for construction of walks as advertised and not petitioned against to council for ratification. These total nineteen.

Officers Entertained.

Last night at the residence of Major Logan, an officers' dinner was held, those present being, the officers of the divisional staff now in camp at Barriefield, the Earl of Dundonald, Lieut.-Col. Lessard, Lieut.-Col. Biggar, Lieut.-Col. Rutherford, Lieut.-Col. Sutton, Lieut.-Col. Clyde and Major Nelles. There was the usual list of toasts and a most pleasant evening was spent.

Mayor Bell At Roslin.

To-day Mayor Bell, Grand Councillor of the Canadian Order of Chosen Friends went to Belleville, where he was to meet W. J. McCammon, barrister, past grand councillor of the order. The two gentlemen will this afternoon speak at a big C.O.C.F. picnic at Roslin.

Snap And Vim.

Angier's Petroleum Emulsion makes weak lungs strong and strong lungs stronger. Besides, it rids the system of disease, creates rich, red blood, firm flesh, and develops the snap and vim that denote health and strength. Pleasant to take, agreeable to the stomach.
