KIDNEY DISEASE
 Rescue All From the
 Perils of Kidney Diseases
 It is almost needless to remind you
 that a pallid, pasty and puffy face
 indicates kidney disease. In addition
 to this, there is pain in the loins, loss of
 appetite, nausea, frequent sickness,
 indigestion, thirst and constipation.
 Dr. Pettigill's Kidney-Wort Tablets
 should be used at once by men and
 women who note any of the above
 mentioned symptoms, which are true
 evidences of impaired and weakened
 kidneys. These marvellous curing tab-
 lets go direct to the root of kidney
 disease. They arrest the course of
 the disease, heal and build up the tis-
 sue, that now pass away cell by cell
 by the action of the tablets.
 Do not be induced to use liquid kid-
 ney medicines, they contain deadly al-
 cohols which feed the disease. Kidney-
 Wort Tablets are purely vegetable; they
 are free from all irritating poisons in them.
 All druggists.
