

SUITS

Blue or black, which will you have, sir? You'll be pleased with either, for they are cool as a cucumber, primp and proper. No other fabric so fully combines all the virtues of summer comfort for a neat and particular man. But you must have good serge. You've seen the kind that fades and wrinkles and pulls out of shape—awful! We've had a good many year's experience with serges, and no one, who buys a serge suit here, runs a one but tried and every suit we sell.
