stood a tall, thin, dark specimen of humanity, leaning on his rifle. I exchanged the compliments of the morning...

To some the vicissitudes that take place in the vast city with its glittering millions and its substantial millionaires with abundance on every hand beyond ambitious craving, it almost seems impossible that a case could have occurred like that which took place in a restaurant last week.

Essential to Health and Life

Is the proper performance of the function of the kidneys—to remove poison from the blood. Uric acid causes rheumatism, neuralgia, pains in joints and stiffness of the muscles.
