A FINE PICNIC
CONDUCTED BY ARMY SERVICE CORPS

Interesting Military Events—The Victors were Applauded—Two Baseball Matches—Everybody Well Pleased.

The fact that Kingston possesses a live military organization was manifest Saturday by the successful picnic conducted by the members of the Army Service Corps.

The Balclutha male, dismantled, proved an event of great interest. A team of six, many of the R.C.F.A., namely, Sergeants Henderson, Fowler, Peppiatt, Kruger, Br. McDonald and G. Hubley, competed against a team of the A.S.C., composed of Sergeants Cunniff, Warrant Officer Franklin, Sgt. Little, Sgt. Cameron, Sgt. Davies, and Warrant Officer Long.

The Victoria Cross race was also a novel feature. The competitors ran fifty yards to an obstruction, from thence to the water's edge, where they retraced the five competitors got over the obstruction, picked up a wounded comrade, returned over the obstruction, fired three rounds and ran back to the starting point.

The hundred yards dash was won by Sergt. Little, A.S.C.; Br. Blizjean, R.C.F.A.; Sergt. Roberts, A. S. C.

Upset in the Harbor.
On Saturday afternoon, Charles Low and Arthur Craig, while sailing in the lower end of the harbor, were upset opposite Crawford's wharf, during the gale that swept over this section.

Appointed Guards.
Alfred Dean and George Doyle have been appointed permanent guards at the penitentiary, to fill vacancies.

Local Grain Outlook.
The outlook for some local grains is not very good. It is expected that on account of the heavy rains, barley and wheat in this section will be somewhat musty.

FOR SHOP LIFTING

PROF. DEKALB HAS BEEN ALL OVER THE MEXICAN COUNTRY

Writes About a Trip to Culiacan, in That South Country.
Prof. Courtney DeKalb, since leaving Kingston, has had a varied experience in Mexico and Southern California.

Police Constable Craig was stationed in the barracks and he was notified of the party suspected. He stepped out, and placed Mrs. Potter, Barrie Road, under arrest.

Mr. Potter, accompanied by his sister, was taken to the police station. On the way there, while passing beneath the shanties, she was seen to throw a parcel to her sister, who threw it to her brother, who in turn secured and was found to contain a number of Japanese handkerchiefs, owned by Miss Sutherland, Barrie Road, and placed in the store as a decoy.
