## NEGRO COLONY

### LEADERS WILL TRY TO SOLV THE RACE PROBLEM.

Proposed Site Near Chicago—White Persons in the Neighborhood File Objections to Colony Being Located in Their Vicinity.

SENATOR QUAY.

Philadelphia, Aug. 21.—The election of my successor in the senate I have in the hands of the people.

I have already stated that it is not my intention again to be a candidate for my office. I said it in my speech at the Academy of Music quite a while ago, and that is all there is to it.

This was the statement of Senator Quay last night, in his rooms at the Hotel Walton.

What I said in my Academy of Music speech was that I will neither be a candidate for my office, or vice versa, and I meant what I said. I have since repeated that declaration to many of my friends. The question of the election of my successor is a matter for them to decide. It is not for me to decide. I am not going back to the senate, and if you can tell me how to make that more positive I should like to have you do so.

#### AWFUL DEEDS.

##### Were Committed By the Bulgarians.

Vienne, Aug. 21.—The New Free Press Constantinople correspondent telegraphs that a band of Bulgarians attacked the Turkish town of Urguch, south of India, on the east coast of Turkey, and have blown up the government buildings with dynamite. It is reported that 200 persons were killed. Constantinople, Aug. 21.—According to Turkish advisers when the insurgent captured Vasilik, in the eastern part of Vahary, of Adrianople, they killed the governor of Vahary and one hundred of the inhabitants. The insurgents are now threatening Madira (seventy miles north-west of Constantinople on the Black sea) and are reported to be attacking the important town of Kichliassak, thirty-two miles from Adrianople. The Italian embassy has notified the Porte that it will hold the latter responsible for any injury which may be done to the consul of Italy at Madira, and demands the punishment of those who insulted the consul recently by calling him a "giovani" (infidel).
