Sell Cheese On The Board.

Kingston, Sept. 22.-(To the Edit or) : As a salesman for a cheese factory, I was very much pleased with the article which appeared the Whig of Monday night, relative to the necessity of cheese factories gistering their cheese at the Frontenac board each week. The cheese buyer quoted gave a correct version of the great fault that is charged against the this district should board its cheese Last week, for instance, a little com

better off; it is to their interests to will be realized because competition. about thirty factories in this district who board their cheese and set the price for the other thirty who never enter a box for sale in the open mar ket. Buyers get the cheese of these latter factories at board prices, but board prices are not always the highest, simply because there is not suffi cient competition to run up the price The buyers who have the make of these factories arranged for look at board meetings and seldom make register cheese each week are: Har rowsmith, Keeley's, McAuley's, Batter sea, Excelsior, Duff's, Sand Hill, Kee

bid. Among the factories that do not nan & Son, Sumbury, and many other leaders in the business. I trust that patrons will awake to the injustice hat is being done them by factories hat do not sell on the board, and hereafter insist upon the cheese being sold on the board to the highest bid der. Then and only then will Fron tenac district takes its place among th leading cheese making districts of Canada. -SALESMAN.

Is Worth Hearing. Kingston, Sept. 21.-(To the Editor The music loving citizens of Kingston are sure to be greatly favored by the appearance here of the famous band of the Coldstream Guards, This organiza tion played before most enthusiasti audiences in Toronto and were pronounced a long way in advance of any oand that had previously visited that city. Though their numerical strength is only forty-six, they render their music in a most artistic manner, their playing of the "Maple Leaf" and When all the ground beneath our feet "Rule E i ania" being a revelation. Their attack is perfect and their tone and diminuendo passages being among true.

Ob, when the sands of time for us run An old lady who looked as though say to all lovers of good band music
