The Canada amount to \$281.746.33. The

mon in Westminster Abbey, urged the importance of house to house visiting. Dr. Barlow said: "If London is to be won for Christ, those who are in charge as Christian ministers, whethmust pay much more earnest heed to question of the visiting from house to house of those who are ignorant about divine matters."

Sermons And Services. Stella, Sept. 30.-A very fine lecture was delivered in the Presbyterian church Wednesday evening on foreign missions. Mr. Gordon; Napanee, col-porteur of the British and Foreign Bible Society, also Tract Society, spent a few days here last week. Rev. Mr. Bowan is here for a few days' visit; his friends are pleased to see him. He preached in the Methodist church Sunday morning. In the evening a song service was given by the choir. Solos were sung by Mr. Polley and Miss Harker, and were rendered in good style. A very able address was given by Mr. Clancy on religion and education. Rev. Mr. Eaton said fit from what they had heard. here at present. Miss Miller, Belle-ville, is also here. John Marshall, going to Queen's. Mrs. Chown is place to-day and to-morrow. The people here are very sorry to learn of the serious illness of Mrs. chens, now in the Kingston General Hospital. An auction sale of house-hold goods and other things will take place on the premises of Mrs. Chown

It is not the price you pay for a range which makes ft cheap or expensive, but the fuel it consumes after you get it. If you buy a range which costs \$5 to \$7 less than a "Pandora" and it burns a ton, or only half a ton of coal more in a year, what do your gain? Nothing, but you actually lose money, besides putting up with all the inconveniences, troubles and extra work which are a certainty with a poor range.

The "Pandora" is equipped with many fuel-saving features which are not found on any other range. Hot-air flues are con. structed so that all the heat from the fire-box travels directly under every pot-hole and around the oven twiceevery atom of heat is used, and only the smoke goes up the Sold by all enterprising dealers.
