WOMAN A BORGIA?

Accused Of Killing Three With

Paris, Oct. 5 .- A mysterious poisoning case occupies public attention at St. Clair, where a young widow, Mme. of all insured the lives of her relatives and then, by means of arsenic,

Mme. Gaitier, who is only twentyfour years old bought from a veterinary surgeon on November 9th of last year some arsenic which she stated Wetaskiwin, Alta., Sept. 26 .- (To she wished to use for the purpose of the Editor) : In the Whig of a week poisoning rats. On November 11th,

Anent A Tall Family. Few clergymen are so well known in

is in part due to his striking appearance, as he stands considerably over six feet in height and is broad in 'proportion, while he carries himself in way which made a city policeman remark: "He ought to be one of is." His inches, like his leaning towards the church, come through heredity. for his father, William Sinclair, was fifth son of Rt. Hon. Sir John Sinclair, author of the "Statistical Account of Scotland," and was one of fifteen children, the shortest of whom was six feet in height, while the tallest reached the exceptional measurement of six feet seven inches. When George III., on one occasion, was at Holyrood, Sir John presented his six girls to the king as "thirty-six feet daughters." The pavement outside the house in Edinburgh was made of large when one of the crowd grabbed the Randail, against the Ottawa Electric About The Endowing of Irish Caithness, and was spoken of as "The flagstones from the family property in Giant's Causeway."

One day the tallest of the archdea con's aunts, going down George street was pursued by an Irish beggar wom an, who invoked blessings on her head dishments in vain, the woman changed her tone and exclaimed: "At least re might give me your shoe to make a | 60
