ANNEXATION

TO BE CONSIDERED AT TO-NIGHT'S MEETING.

The Petition Which Portsmouth Village Council Will Have Laid Before It To-Night—It is Very Strangely Signed.

To-night's meeting of the municipal council of the village of Portsmouth will be a memorable one, to be handed down to future generations as an epoch in the history of the village. To be or not to be annexed, that is the question to be considered. The councillors will have before them a petition signed by seventy-eight ratepayers, praying the council to appoint a committee to approach the city council to ascertain upon what terms the big municipality will agree to take the village under its protecting wing, making it part and parcel of the city, so that the villagers may enjoy all the rights and privileges at present at the command of citizens. In the face of such a strong petition, it will be "up to" the councillors to form such a committee and carry out the wishes of the ratepayers. By so doing, it will not mean that annexation will necessarily follow; the city may consider the cost of taking in the village too extensive, and that may be the rock on which negotiations will be wrecked. However, until the two sides have had a joint meeting and a basis of argument agreed upon, speculation upon this point is superfluous. By the carrying out of the annexation scheme, both municipalities have considerable to gain, though both must make sacrifices if the merging is to be a success.

There are said to be 104 ratepayers of the village qualified to sign the petition, and of the number seventy-eight have attached their signatures. The petition was circulated by Thomas Tobin, Daniel Germaine and T. Elliott. The document reads as here given:

"We the undersigned ratepayers of the village of Portsmouth, in the county of Frontenac, are desirous of uniting this municipality with the city of Kingston, and pray that a resolution be introduced to this council forming a committee to wait upon the city council and obtain terms and conditions."

The following named signatures are attached thereto:

Rev. M. McDonald, Prof. Nicholson, C. E. Cartwright, J. O. Crlep, S. Lowe, T. Atkins, J. Halliday, T. Payne, T. Tobin, F. Hornibrooke, T. C. Elliott, A. McLean, J. McMaster, T. Evans, C. C. Cameron, M. Lindsay, E. Mooney, J. Marks, W. Marks, J. B. Walkem, J. Adams, T. Graham, D. Germaine, T. Fowler, J. Mills, J. B. P. Matthewson, S. Greer, J. F. Baker, W. C. R. Dowsley, A. Simmons, C. McCarthy, J. Bannister for H. Bannister, T. Moore, M. A. Duncan, E. A. Culcheth, S. E. Culcheth, A. Porter, T. Ewart, J. Lidle, A. M. Van Straubenzie, R. M. Graham, B. McGeein, G. Holland, J. A. Mathewson, Jr., T. Howard, W. Holland, J. Shanahan, M. A. Crawford, J. Craig, J. Payne, J. O'Neill, Mrs. P. Redmond, B. W. Folger, J. Burst, R. J. Carson, W. F. Nickle, G. Richardson, J. Mills, Miss L. Gildersleeve, S. H. Watts, J. Hewton, J. McLeod, J. Graham, I. Halliday, J. B. Carruthers, H. McBratney, J. Waters, Mrs. John McCaugherty, A. Spence, G. McAuley, E. Wishart, John Watts, C. W. Wright, W. Halliday, R. J. C. Atkins per A. Atkins, H. A. Calvin, W. Payne.

The following named ratepayers have refrained from signing the petition: J. Fisher, W. Fisher, H. Baiden, R. J. Baiden, J.P., J. Shortt, Miss Mooney, J. Hartrick, A. Crimmons, Mrs. Arthurs, H. Carr, J. Forsythe, E. Beaupre, Mrs. Beaupre, P. Kennedy, M. Kennedy, J. Kennedy, A. Gibson, H. Hogan, T. Nicholson, Misses Dillon, T. McCammon, Mrs. Burke, R. V. Rogers, T. Kelly, J. Campbell, Mrs. Machar, E. Johnston. Some of these are municipal officials, and some are village councillors. Others favor annexation but have reason for not desiring to sign the petition. It will be seen that the great majority of ratepayers are in favor of the movement, and if suitable terms can be secured, a by-law to confirm the merging of the two municipalities may be submitted to the ratepayers at the January elections.

Favoring annexation is the attitude of many guards of the Kingston penitentiary and attendants at Rockwood hospital, who now reside in the city, at some distance from their employment, but who say they would prefer living within the boundaries of the village if they could secure the same accommodation and privileges that they do in the city. The chief objection raised against annexation is that the taxes on village property will be increased. While the villagers may have to pay a couple of mills more on the dollar, the present assessed value of property is likely to continue. For the extra mills the villagers will be called upon to pay they will secure street lighting, fire protection, police protection, and the services of all the city officials, etc., in return. The question of water works extension will be the most serious one to consider, but even that need not be a barrier, as it can be overcome.

Most Penetrating.

The quickest soother of pain, and the most penetrating liniment on the market to-day is Smith's White Liniment. A positive cure for sprains, swellings, inflammation, neuralgia, rheumatism, and lumbago. Big bottles, 25c., at Wade's.

No coughing spasms if you use Magic Cough Cure, 25c. Taylor's drug store.

Owes His Life To a Neighbor's Kindness.

D. P. Daugherty, well known throughout Mercer and Summer counties, W. Va., most likely owes his life to the kindness of a neighbor. He was almost hopelessly afflicted with diarrhoea; was attended by two physicians who gave him little, if any, relief, when a neighbor, learning of his serious condition, brought him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which cured him in less than twenty-four hours. For sale by all druggists.

THE ONLY ONE ALIVE.

Dr. Herriman, Lindsay, Was at Queen's in 1854.

One of the speakers at Queen's medical jubilee next week will be Dr. W. L. Herriman, Lindsay, a member of the first graduating class of that institution. Dr. Herriman was one of the eight students who left Toronto University in 1854 on account of the noxious religious test required, and came to Kingston. His address will be a great feature of the proceedings. As far as known, Dr. Herriman is the only member of the first graduating class alive.

Delegates Appointed.

These additional delegates have been appointed to represent various educational institutions at Queen's next week:

Osgoode Hall—John King, K.C.

Knox College—Prof. McLaren.

Mount Allison University, Sackville, N.B.—President Allison.

Dalhousie University—Prof. Walter C. Murray.

Two Successful Graduates.

F. G. Stevens, B.Sc., who graduated in the department of geology in the School of Mining three years ago, has recently been appointed to the important position of superintendent of Le Roi Mine No. 2, at Rossland, B.C. Mr. Stevens came to Queen's from Halifax, N.S., and by his success has justified the opinion formed of his abilities during his college course.

R. T. Hodgson, M.A., another graduate in geology is president of the Western Manitoba Teachers' Convention, which meets at Brandon, during the present month. For two years after graduation, Mr. Hodgson was demonstrator in geology in the School of Mining, and proved himself to be a very successful teacher.

MOZART SYMPHONY CLUB.

Played Before Good Sized Audience Last Night.

Although the audience at the Mozart Symphony Club concert at the City Hall, last night, was rather small, owing to the counter attractions, it made up in enthusiasm what it lacked in size. The performance, as a whole, was excellent, the soloists being masters in their particular specialties, though the chorus work was not quite what it might have been. All the instruments used were singularly sweet-toned, which in itself was a pleasure. Herr Theo Hoch, the wizard of the cornet, the Alpine echo horn, and the long Roman trumpet, was perhaps the favorite, though comparisons, as usual, are odious, for Richard Stoeltzer, with his solo on the viola d'armour, from the "Meistersinger," and Mr. Blodeck, with his gavotte on the mellow-toned da gamba, and his tarantelle on the 'cello, brought forth rounds of applause. Miss Marie Stori, has a soprano voice of much clearness and sweetness, which she has under perfect control. Her audience regretted that the programme was not strictly adhered to, as "Angels Ever Bright and Fair," which was to be one of her numbers, and for which she substituted "Louisiana Loo," would probably have been very appreciatively sung.

MARRIED AND AWAY.

Quiet Event At An Early Morning Hour.

A very quiet wedding was solemnized on Tuesday morning, at six o'clock, at the home of the bride's brother, Herbert P. Collier, 394 Brock street, when Helen Blanche Collier, of this city, was married to Dr. Charles M. Stratton. Rev. F. B. Stratton, Belleville, uncle of the groom, was the officiating clergyman. The happy couple left on the seven o'clock boat en route for New York City, where they will spend a couple of weeks. The bride is the only daughter of the late Captain L. M. Collier, Napanee, and a host of friends there will welcome her return to their midst. Dr. Stratton is a recent graduate of high standing of Queen's University, and is already recognized as one of Napanee's best physicians, enjoying a very lucrative practice. Mrs. Stratton will be at home to her friends on and after November 16th.

THE YORK ROAD.

Farmers Are Looking For Information.

"What has become of that scheme we heard so much about last year, regarding the provincial government taking over that portion of the York Road lying in Frontenac county, and making it a free highway?" was a question propounded by a Kingston township farmer to-day. "We heard a lot about a big sum of money due the government by the county, and the intention of the government to foreclose and take over the road, abolishing the mediaeval toll system now in force, but lately the bottom seems out of the scheme, and we farmers would like to know why, as we are deeply concerned. I suppose some of our county councillors have been operating the levers that work the wires, hence this lack of news. But, we are not going to allow the matter to drop so quietly, and any one who thinks so is sadly mistaken."

TUG BLOWN UP.

Dualin Outrage In North Frontenac.

Richardson Bros., of Kingston, are meeting vindictive opposition in their feldspar mining operations in Bedford township. Last spring their ore rolls was undermined and precipitated into the lake. Last Saturday night some persons broke into their powder house, stole dualin and with it blew up their tug working on Thirty Island Lake. It was an utterly unprovoked outrage, since the Richardsons are generous employers and make no enemies because of any fault of theirs. They are doing new mining work and spreading a deal of money for labor every month. The whole of North Frontenac is injured by the wanton destruction. The attorney general has been asked to send a provincial detective to the scene at once. The Messrs. Richardson will pay a reward for information.

Taylor's Lettuce Cream makes the skin soft and smooth.

PERSONAL MENTION

WHAT IS GOING ON IN THE CITY.

A Brother-In-Law Of Judge Price Dead, As Also The Father Of Capt. Du Plessis, R.C.F.A.

W. D. McRae, Toronto, is in the city renewing friendships.

Rev. Fred. Taylor, Aylmer, Que., is in the city visiting relatives.

Mrs. Chown and family, Stella, will shortly remove to Kingston.

Charles Ferris, Smith's Falls, is in the city visiting his many friends.

Charles St. Charles, of Madoc, has been appointed bailiff for division court.

Misses Edith and Mabel Irving, visiting friends in Deseronto, have returned home.

Robert Fisher, a venerable Kingstonian, now of the far west, is again visiting the city.

Miss Lottie Adams, St. Catherine street, has returned home after spending a month with relatives in Watertown, N.Y.

Mr. and Mrs. H. Angrove, Queen street, visiting friends and parents in New York and Pennsylvania, have returned home.

The Bishop of Ontario has appointed Rev. Canon Grout registrar of the diocese in the stead of James Shannon, deceased.

George Westinghouse, inventor, was born October 6th, 1846; and William Bradbury, piano manufacturer, on October 6th, 1816.

A. Foster Bowen, late Methodist pastor at Stella, was in the city on Monday, en route to Cincinnati, to attend a theological school.

A bequest of $5,000 has just been received at the Wesleyan College, Montreal, from the late Rev. Dr. Franklin, of the Montreal Conference.

Dr. George Hanley, who spent the past year as house surgeon of a hospital at Albany, N.Y., has returned to the city, his term of office having expired.

J. O. L. Du Plessis, father of Capt. Du Plessis, died here and his remains have been taken to Sorel, Que., for burial. Deceased was eighty-seven years of age.

Charles D. Bingham, lately elected grand commander of the Knights Templar, will likely be the candidate for mayor of Watertown, N.Y., on the republican ticket.

Miss Ethel Robinson is in Montreal visiting friends. She will attend the marriage of Miss Gorham and Reid Hyde, which will take place this week. Miss Gorham is a former Kingstonian.

The many friends of H. R. Charlton, advertising agent of the Grand Trunk R.R., will sincerely sympathize with him over the death of his mother, Mrs. G. R. Charlton, St. Johns, Que., aged seventy-six years.

Rev. D. L. Brethour, Ph.D., died suddenly at Niagara Falls on Saturday. He entered the Wesleyan conference in 1860, and was ordained in 1864, and stationed at Napanee. His chief places of labor were in the west. Deceased was a brother-in-law of Judge Price.

A PLEASED AUDIENCE.

Heard "The Mocking Bird" Company Last Night.

Though there were huge spaces of empty seats in the Grand Opera House last night, the splendid "Mocking Bird" company played to a warmly appreciative audience whose applause was as vigorous as if the theatre had been full. "The Mocking Bird" is a musical comedy with French settings, and the action passes in New Orleans towards the close of the eighteenth century. The music is decidedly bright and sparkling, the voices rich and sweet, and the scenery, effects and costumes remarkably beautiful.

Miss Madeline Bestley, the star, has a pretty and most expressive face and a dainty manner, quite rivalling that of Lulu Glaser. Her voice is soft and rich, and her song "The Sly Musette" could not be repeated oft enough to satisfy the audience. Miss Antoinette Le Brun showed a voice pure and bird-like in tone. Roland Carter, another of the principals, was a favorite, with his perfectly rounded baritone voice. Edgar Ely and Walter Ware in comedy roles were delightfully refreshing.

In the last act, Miss Bestley and Mr. Ely's duet with negro chorus in "What's The Matter With The Moon to-night," brought forth vigorous applause. It was the choicest piece of the performance. The finale with the martial chorus of "France, Glorious France," was a beautiful rendering.

David Harum.

The Montreal Herald of Sept. 22nd, says of "David Harum," which appears at the Grand opera house, Wednesday, October 7th.:

"David Harum," with his shrewd common sense in striking a horse trade, and kindliness of heart, is at Proctor's this week. He is a distinctive type of a part of New England life which may still be met. The dramatization of Edward Noyes Westcott's story is an improvement perhaps on the original. The main incidents of the book are preserved in the play, and those who looked for the famous horse trade with the deacon were not disappointed. The success of the play largely depends upon the chief character, W. R. Mekey made an admirable Harum. While he was on the stage the other characters occupied little attention.

"The Factory Girl."

In the great factory scene a feature of "The Factory Girl" to be seen at the Grand, on Thursday, there is alone a carload of ponderous machinery, an electric plant and great drive wheels which extend down under the stage into the cellar. Besides this there is a carload of beautiful scenery and a company of well known players, and vaudeville headliners.

Try Trilby

Shoe Polish the best made. Bottles hold twice as much as any other 25c. dressing, sold at Abernethy's.

Lever's Y-Z (Wise Head) Disinfectant Soap Powder is better than other powders, as it is both soap and disinfectant.

CITY AND VICINITY.

Where Dollars Are Worth Double.

Choice print butter, 20c. per lb.

Baking butter, 18c. per lb.

5 lbs. raisins, 25c.

At Mullin's, corner Johnston and Division streets.

Rheumatism.

If you have this dread disease and have failed to obtain relief, why not try Hall's Rheumatic Cure, the great blood purifier. It has cured when everything else has failed. Safe to take, quick to cure, most highly endorsed, cheapest to buy. Ten days' treatment 50c. at Wade's.

Returned This Morning.

The steamer North King reached the city this morning shortly after nine o'clock having aboard the excursion party she took over to Rochester on Sunday. The trip over was a little rough, but the return journey was most enjoyable. The weather being "perfectly lovely," as a lady passenger said.

Her Heart Like a Polluted Spring

Mrs. James Srigley, Pelee Island, Ont., says: "I was for five years afflicted with dyspepsia, constipation, heart disease and nervous prostration. I cured the heart trouble with Dr. Agnew's Cure for the Heart, and the other ailments vanished like mist. Had relief in half an hour after the first dose." For sale by H. B. Taylor and H. Wade.—27.

A Kingstonian Suffers Loss.

Advices were received to-day from Canton, Ohio, to the effect that the Novelty iron works there, owned by W. F. Sherlock, son of the late J. M. Sherlock, Sr., this city, had suffered by fire to the extent of $20,000. The flames had their origin from sparks from a passing locomotive. Two years ago the same works were almost totally wiped out by fire. The late blaze was confined for the most part to buildings which escaped the first conflagration.

Looking For His Daughter.

A. W. Morrow, Lansdowne, was in the city to-day, searching for his daughter, Eva, who is supposed to be here. She is aged twenty-one and left home about two weeks ago. It is supposed she is travelling with a woman who styles herself Mrs. Brown, of Rochester. Mr. Morrow invoked the aid of the police. He received a letter from his daughter on the 2nd inst., it was dated at Kingston, September 30th, posted on October 1st, and reached its destination on the 2nd.

Chose A Kingstonian.

At the recent meeting of the Board of managers of St. Luke's hospital, Newburg, N.Y., the resignation of Miss Catharine Dunlap, superintendent was accepted and in her place Miss Mary E. De Pencier, of Canada, was appointed, and is now in charge. Since her resignation from Belleville superintendency of nurses, she has been visiting New York hospitals and qualifying herself for still more efficient directorship. Kingston's general hospital graduates will be pleased at this new mark of success of a colleague.

Apples And Apple Blossoms.

William McNamee, Upper William street, has a curiosity in his garden in the shape of a Northern Spy apple tree, which is bearing fruit and blossoms at the same time. The fruit is almost ripe, and last week buds began to form and these are now in full bloom. The tree presents a unique appearance, showing red, ripe fruit and bright blossoms at the same time. The continued warm weather is credited with being responsible for the phenomenon. It might be a good thing for Canada if Rudyard Kipling could see this ever-blooming apple tree; it might result in changing his opinion of "Our Lady of The Snows."

JUNIOR WOMEN'S AUXILIARY.

Meeting Last Night After Summer Vacation.

Last evening the first meeting of the junior branch of St. James' Woman's Auxiliary for the season was held in the parochial schoolhouse, all the officers and a good representation of the members being present. Miss Grace Evans, who attended the annual convention of the Woman's Auxiliary, held in Prescott, last June, as the branch's representative, read a most interesting paper of the different meetings held. The report was accurate in detail and most successful in conveying to each member exactly what benefit was to be gained by attending annual conventions.

Two pamphlets, one on the "Formation of Classes for Missionary Study" by Mrs. Crisp, Portsmouth, and the other by Mrs. Woodcock, Brockville, on the "Perseverance in Auxiliary Work," were presented to the society to be read at the next weekly meeting.

"Best in the world," Huyler's candies, at the Red Cross Drug Store.

BREAK THE FAST.

The Morning Meal Should Not Be Missed.

After a night's fast the stomach should have some food for breakfast to sustain mind and body during the morning. It should not be a heavy meal but wise selection will pay immensely.

A young Los Angeles woman says: "For years until I used Grape Nuts I have never been able to eat breakfast for eating in the morning was always followed by terrific sick headaches and my stomach has always been delicate.

"Some time ago a friend urged me to try Grape-Nuts food and I began eating it every morning. As a result of its steady use I have gained eleven pounds and the headaches have disappeared entirely and my weak stomach has become normal and strong. All my food digests and I now perform my daily duties with a renewed cheerfulness and energy. Evidently I had been eating the wrong food but Grape-Nuts soon put me right." Name given by Postum Co., Battle Creek, Mich.

Look in each package for a copy of the famous little book, "The Road to Wellville."

DAY'S EPISODES

LOCAL NOTES AND THINGS IN GENERAL.

Occurrences in the City and Vicinity—Other Brief Items of Interest to the People.

Choice family flour, $2.10 per cwt., at Mullin's.

October 6th is the day of St. Faith in the Roman calendar.

For the second morning in succession there was a blank docket at the police court.

A clerk in Kingston post office has been reported to the postmaster-general at Ottawa for insubordination.

The Portsmouth annexation scheme was a live topic of conversation on the market this morning. Both sides found strong supporters and some lively debates resulted.

W. C. Martin, manager of the Grand Opera House, this morning said that the "Mocking Bird" Opera company gave the best performance of the kind he ever saw in all his theatrical experience.

Citizens who have to cross through the court house grounds after nightfall would greatly appreciate the placing of an electric light near the Kirkpatrick memorial fountain. The place is intensely dark.

More cases of sick headache, biliousness, constipation, can be cured in less time with less medicine, and for less money, by using Carter's Little Liver Pills, than by any other means.

The K. & P. crossing on Ontario street, at the junction of Place d'Armes, is being greatly improved. New planking has been placed in position and the approaches graded, making crossing quite safe now for vehicles.

Intelligence has reached the city of the quiet marriage in New York of a former young Kingstonian, now practising law there. The bride is a New Yorker. The marriage took place early in July, and the fact has just now leaked out.

The test of drawing powers last evening between two excellent shows—"The Mocking Bird," at the opera house, and the Mozart club at the city hall—left little for either party in the way of proceeds. But the club took in the most money.

It looks as though a section of Indian summer weather was bridging the chasm intervening between the "good old summer time" and the season when "Our Lady of the Snows" dons her warmest furs and starts the furnace going.

Farmers from North Frontenac, who were in the city to-day stated that bears are more numerous out that way than ever before. In some localities they are committing depredations, in carrying off small farm stock and destroying standing crops.

MEDICAL RESULTS.

Those Who Passed The Supplementals.

The results of Queen's Medical supplementary examinations were posted this morning as follows:

Junior Surgery—G. C. Leach, N. Smith, T. J. Gray, A. C. Driscoll.

Junior Medical and Surgical Anatomy—G. C. Leach, W. H. Lavell, C. J. Austin.

Junior Practice of Medicine.—J. E. Bromley, G. C. Leach, J. A. Corrigan.

Junior Obstetrics—G. C. Leach, J. A. Corrigan, R. H. Scott.

Bacteriology—S. E. Tyner.

Junior Pathology—L. W. Hoppin, N. I. Pennock, J. W. Presault, J. A. Corrigan.

Medical Jurisprudence—H. C. Leach, L. W. Hoppin, R. H. Scott, S. E. Tyner.

Sanitary Science—J. K. Dawson, A. C. Driscoll, J. A. Graham, G. C. Leach, J. W. Presault.

Junior Anatomy—B. A. Sandwith, F. S. Young.

Junior Physiology and Animal Biology—T. J. Bray, B. A. Sandwith.

Junior Materia Medica—W. C. Brown, B. A. Sandwith, W. M. Palmer.

Senior Anatomy—G. C. Leach, W. R. Mikaera.

Senior Physiology—G. R. Reid, T. J. Gray, G. C. Leach, N. Smith, N. I. Pennock, E. C. Kinkaed.

Senior Materia Medica—G. C. Leach, N. I. Pennock, E. C. Kinkaed, J. E. Bromley, R. H. Scott, W. R. Mikaera.

Senior Chemistry—C. M. Wagar, E. C. Kinkaed, R. W. Tennant, A. J. Maclachlan.

Senior Surgery.—J. K. Dawson.

Clinical Surgery—C. Dowson, D. W. Gray, H. McCarthy.

Senior Practice of Medicine—J. H. McCarthy, J. A. Graham, C. J. Austin.

Senior Medicine and Surgery, Anatomy—J. K. Dawson, J. A. Graham.

Senior Obstetrics—J. K. Dawson, J. A. Graham.

Senior Pathology—D. W. Gray, J. A. Graham.

Diseases of Eye, Ear, Nose and Throat—J. H. McCarthy.

Clinical Medicine—J. K. Dawson.

The degree of M.D.C.M. was granted to J. K. Dawson, Wolfe Island; C. K. Dowson, Bristol, Eng.; D. W. Gray, Kingston; J. L. Kane, Gananoque; J. H. McCarthy, Kingston.

MARINE INTELLIGENCE.

What is Going on in Harbor and Elsewhere.

Swift's wharf: Steamer Hamilton due up to-night.

Crawford's wharf: Steambarge Westport from Westport with wood.

Richardsons' elevator: Steambarge King Ben cleared for Montreal with grain.

The schooner Jamieson, from bay ports, is unloading barley at the malt house.

M. T. company elevator: Schooner Katie Eccles from Colborne, with 9,000 bushels of rye.

Thomas Donnely, grain inspector, reports that the SS. Westmount, with 70,000 bushels of wheat, the barge Melrose, with 50,000 bushels of wheat, and the barge Selkirk, with 50,000 bushels of wheat, or 170,000 bushels in all, were discharged by the Montreal Transportation company, in this port in exactly eight and one-half hours. From the beginning until the last pound of grain had been discharged occupied just ten and one-half hours, but two hours of this was used up in shifting the vessel.

MAKE JUST ONE MORE TRIAL.

No Matter How Many Remedies You Have Tried, Here is One That Will Cure Your Piles.

If you are suffering from the pain and torture of piles and want to be cured, spend 50c. at the druggist's for one package of Pyramid Pile Cure and convince yourself beyond a doubt that it can be done. There is no earthly doubt that this remedy will cure you just as it has cured thousands and thousands of others if you follow the directions and give it a fair trial.

You may have tried so many remedies that you feel that yours is a hopeless case. You may become discouraged and suffered so long that it is almost second nature to you. It makes no difference how serious your case is, or how long you have had it, you will be cured fost the same.

Pyramid Pile Cure is in the form of suppositories, and reaching the seat of the trouble gives instant relief. It does away with the torture of the knife and the humiliation of examination and operation by the physician. It is administered by the sufferer himself in the privacy of the home. There is no record of its ever failing to cure the most severe aggravated and long standing cases.

Mrs. R. T. C. Boylan, Marshall, Mississippi, writes: "I suffered awful torture for years from piles. I used Pyramid Pile Cure and was well in three days."

Amos Crocker of Worcester, writes: "After going through a frightful surgical operation and after trying any number of salves and ointments, one 50c. box of Pyramid Pile Cure gave speedy relief and it quickly cured me."

James Kenton, Memphis, Tenn., says: "I suffered the torture of itching piles for years, and not even mercurial ointment would relieve me. One 50c. box of Pyramid Pile Cure cured me entirely."

Pyramid Pile Cure is for sale by all druggists or will be sent upon receipt of price, 50c. a package by Pyramid Drug Co., Marshall, Mich.

Write for free booklet on the nature, treatment and cure of piles.

The Sergeants Of 14th

Displayed in window of Weese & Co., speak praises to that firm, the originality brought out especially in the design of the large 14 deserves attention, and no doubt stands among the first productions of this country. We are pleased to see that their photographic business is steadily growing, this season being much larger than preceding years. Mr. Weese states that he does not go in for deceptive advertising. Straight business is their motto and is sure to win.

TO BE DISCUSSED.

Several Schemes Are In Contemplation.

At a meeting of directors of the Kingston Horticultural society, to be held this week, the question of holding a flower and fruit show in either the armouries or skating rink next August or early in September, will be discussed. It is accepted as a settled fact that Kingston will not see another district fair, so the horticulturists are planning for next season.—It has been suggested that the Kingston township fair amalgamate with the Horticultural society in conducting a joint exhibition, but this scheme is not likely to be considered until the directors of the township fair approach the city organization, as the scheme emanated from the township, and the directors of that society are expected to take the initiative in putting the suggestion in practical form, so that it may be considered.

GRIP CONVALESCENCE

There's nothing better than Scott's Emulsion after the grip. When the fever is gone the body is left weak and exhausted; the nervous system is completely run down and vitality is low.

Two things to do; give strength to the whole body and new force to the nerves. Scott's Emulsion will do it; contains just what the worn-out system needs.

Rich blood, healthy flesh, resistive force, more and better nourishment are what Scott's Emulsion supplies to the convalescent.

We'll send you a sample free upon request.
