ADDRESS OF DR. GORDON

AFTER HIS INSTALLATION AS INSTANT

The Spirit of Queen's in Its Educational, Spiritual and National Ideals—An Address Every One Should Carefully Read.

After being formally installed at Queen's University, the installation of Dr. Gordon as Principal was a significant event.

When I came to Queen's a few months ago I had an opportunity of addressing the council, and I took occasion to speak of the requirements of a modern university.

It is in this, perhaps, more than in anything else, that the inner life of the university is the most important.

There seems to be no special reason for restricting the number of students to be attached to a university.

There seems to be no special reason for restricting the number of students to be attached to a university.

Yet, while a general likeness may be found in our universities, the influences set work upon them from within and from without have developed some very different types.
