George Jeffrey, Jr., Boyd, living at Piccadilly farm, for some charging complicity in naturalization vears past, will operate his father's farm adjoining the village. A. A. Lud A report was in circulation on the brook leaves shortly to join his son at Bancroft, Ont., where the latter is engaged in the photo business. Samuel Asselstine is distinguishing himself as a fisherman, in a recent catch, he succeeded in landing three catfish, whose total weight aggregated twenty-one pounds. Miss Nina McGonegal, the guest of the Misses Keates, of the post office department, has returned to her home at Flower Station, Revell Bros. have the masoury of the Hartington school nearly completed. The building which is of stone, will be two storeys high and be heated throughout with hot air. N. Wartelsky, after five weeks' sojourning in Montreal, has resumed his situation as clerk in his brother, H. B. Wartelsky's store here. Rev. Mr. Tredrea, Elginburg, preached missionary sermon here on Sunday evening. Rev. T. J. Richards, our pastor, did likewise at Elginburg. Mrs. E. M. York, after an absence of some weeks at the home of her brother, Oak Hill farm, has returned, improved in health. M. Goodberry and son, are building the foundation for Revnold's saw and shingle mill. Tallon and Wayman are framing the building.

King Of Siam's Adviser. Washington, Oct. 22.-Edward II Stobel has been appointed confidentiel adviser to the King of Siam, and will leave for his new post of duty soon. He was formerly third assisand also minister to Ecuador and Chili. Since that time he has twenty-four. All are believed to have vard. He is the first American w has been named for the position has accepted.

Many Lives Lost. St. Louis, Mo., Oct. 22.-A special rom Austin, Texas, says: "Advices received here from Mazatlan, Mexico, ago caused considerable loss of in the city sixteen people were killed and a number injured. The shire in harbor also suffered much damage. The Danish - schooner Clara was entirely wrecked and the captain and fourteen sailors were drowned.

Well Fitted For His Work. In the October number of the Farm er's Advocate (London and Winnipeg) there appears an excellent likeness of J. W. Mitchell, B.A., the new superintendent of the local dairy school. It says that his "experience and education are such as to peculiarly fit him for his work." The Advocate also right; but it was the jewelry that gives a sketch of Mr. Mitchell's career

To Have Handsome Cathedral. Winnipeg, Man., Oct. 21.-Plans for the new cathedral at St. Boniface have been received from Montreal, and are now at the archbishop's palace, being inspected by Archbishop Langevin. The new building will cost \$300, 000, and will be one of the finest its kind in the Dominion.

The "Delamotte" rubber truss is the most periert fitting truss made; "ight in weight; easily kept clean; will never wear out. Sold only at Wade's. A passenger on a Hamilton street car refused to pay his fare, and, on the conductor insisting, held the latter up with a revolver until his der tination was reached.

\$100 Reward \$100 The readers of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Sure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one Hundred Dollars for any case that it fails to cure Send for list of
