There is nothing like Sunlight Soap for Household Utensils.

When you have to use hard water it is not an easy matter to wash household utensils. To do good washing you should have good soap and soft water (rain water). If you use hard water you must have good soap, and the best soap you can get is Sunlight Soap because it softens the hard water and makes a copious creamy lather. Use Sunlight Soap for all household purposes and the results will surprise you.

NEWS OF FIRE

THAT SWEEPED AWAY THE PAPER MILLS.

A Workman of Many Years Saw
The Buildings Burn Down With
a Sad Heart—Died in New-
burgh.

Strathcona, Oct. 25.—On Sunday
morning, about five o'clock, the night
watchman at the paper mill discover-
ed fire in the machine room. Not un-
derstanding the working of the hose,
he was some time raising an alarm
and getting help. The fire had gained
such headway that it was impossible
to save the mill. Mr. Finley is a
heavy loser. Nothing was saved ex-
cept an enormous pile of coal, besides
the old furnace room. A large num-
ber of people are out of employment.
George Dunlap has had charge of the
beater room for twenty-five years; in
fact, he has been in the mill since it
was built nearly thirty years ago. It
was with a sad heart that he watch-
ed the place, where he had passed so
much of his life, being destroyed. In
fact, there are many sad hearts here,
for the means of livelihood have been
snatched from many people at the
beginning of winter.

Mrs. Johnson, visiting for some time
has returned to East Angus, Quebec.
Mrs. J. Taylor is the guest of Mrs.
Lott, Miss Cummings and Miss Mor-
ton Kaldar, are the guests of Mrs.
F. Cummings. E. Lasher and bride
are settled in their new home. We are
glad to welcome Mrs. I. to this
neighborhood. F. Pybus is to be
married to his wife. B. cow with her
leg broken. E. Rose has his sister from
Edward county visiting in town. He is
seriously ill; he is anxious to sell his
farm and stock. J. Ramsey has moved
from Galt to take possession of his
farm.

Elijah Wells, who came to Newburgh
to consult Dr. Beaman about two
months ago, was too ill to return
home; he remained there with his
sister, Mrs. E. J. Madden. On Sunday,
18th, after terrible suffering from
blood poisoning, Tuesday an end
to his misery. The funeral took place
the following Tuesday from his home,
North Frederickburg, and was large-
ly attended. He was about sixty
years of age and unmarried. Two sis-
ters and a brother are left on the
homestead; they will feel his loss very
heavily. Mrs. H. Martin has returned
from a visit to Brandon, Man.; she
was delighted with the country. Miss
Flossie Dunlap is in Nanapan taking
a course in training in millinery in
Mrs. Doxey's store.

FASHION'S FORM.
A Fall Suit Trimmed With Stit-
ching.

Here is a very good model for a fall
suit to be made in a lightweight
material. The little jacket is box-
pleated, rather large pants, and
stitched on the outside. The sole trim-
ming to the entire suit is stitching.

The collar, cuffs, and around the
edge of the jacket are stitched in a
design making points. To do this
evenly draw the first line in French
chalk, and for the other rows use the
guide on the sewing machine.

The skirt is seven-gored, with a hip
cord continuing around front, fly front
width, and a circular flounce atched
on in points. The edge of the skirt is
finished with stitching. A pretty
flounce must always be worn under a
jacket of this description, as so much of
it shows.

Camden East Parish.
Thanksgiving day was a red letter
day indeed in English church circles,
when two large congregations met to
return thanks for the bountiful har-
vest. Rev. G. Rose Beamish, of Belle-
ville, was the special preacher, his ser-
mons were powerful and much appre-
ciated. At 11 a.m. service many
communicated; the decorations were
in excellent taste and the music good.
At the 7:30 p.m. service the choir of
Yarker and Newburgh came over to
Camden East and assisted. The
church, lit with electric lights, looked
its very best. The organ have
reached \$162, with more to follow.
The pastor and wardens are grate-
ful thanks to the parish for their lib-
erality, to the organists, to Miss
Lula Beach, and the choir for their
excellent rendering of the music.
The La. who decorated the church
for the day and to all who helped to
make the success.
