" Robert Burns," To-Night. The superb production of Clayton Mackenzie Legge's new play "Robert Burns," in which Mr. Legge enacts offering at the Grand, to-night, is undramatic offerings of the season. The play introduces all the well known characters in the poet's life and works. The production has beautifully mounted in the way of scenic investiture, and the costume are unusually handsome and befitting to the period.

The Second Recital. The organ recital, at the cathedra!, last night, was in nearly every respect superior to that of the evening previous, that is, in the organ numbers. Dr. Baldwin played the Wagner "Pilgrim Chorus," and two Handel numbers, as well as some of Rossini's work, and the change from modern ters, was a grateful one. At the quest of a very large number "The Storm" was played, with scenic effect accompaniments, to the pleasure, no doubt, of a large number in the congregation. Miss Beatrice Tandy was the vocalist, singing two numbers.

Want the Union Removed. The bartenders' union met vesterday afternoon to consider two complaints Ward, by the handsome majority of made against hotel-keepers, who were 1.120. He was on the democratic ticcharged with not complying with the ket. union rules in the matter of wages. One hotel-keeper appeared before the meeting, but complained that he was not given a hearing and was discourteously received. Another hotel-keeper was asked to attend but refused; was accused of removing the union card from his bar. A third proprietor American and English stage and Been was summoned for violating the wage scale, but ignored the call. There is Frohman. friction between the hotel keepers and the union men, and a determined attempt will be made to "bust" the un-

Not Likely To Carry.

It is unlikely that the by-law pro viding for the opening of Sydenham street, between Johnston and Princess streets, will be accepted by the ratepayers. There is a strong feeling against this work being undertaken at he present time. It is argued that the financial condition of the city is such themselves. There is a great shortage that it is inexpedient to add further of barrels, which are hard to get at ed for the purpose would have to be taken from the appropriation for street to shipping in boxes. In Yates county repairs, and for this purpose half high winds have also blown off much enough money is not now available. fruit, and heavy rains have hurt beans While it is generally admitted that pulled and piled.
