SPORTING NEWS. WILL SIR THOMAS LIPTON CHALLENGE AGAIN?

The Reliance Thought to be Good Enough for Another Contest—The Hockey Teams of New York. If Sir Thomas Lipton challenges the New York Yacht Club a fourth time for the America's cup—and many yachtsmen think it probable that he will do so—the official notice of his intention should be in the hands of the club officials in a short time, judging from the record of past challenges from the same source.

Hockey in New York. New York, Nov. 13.—Ice hockey, which has been steadily gaining in popularity favor as a winter sport in this city, promises to be more popular than ever the coming season.

ON THE STAGE. How The Encore Fiend Spoils Peace and Enjoyment.

"The Wizard of Oz" is more than duplicating, in the principal cities, its phenomenal success of last season in New York. A modern comedy in four acts, written by Mrs. Craigie for Miss Olga Nethersole, will be called "The Flute of Pan." It is to be first performed in Birmingham, Eng.

"Little Hans Andersen" is the title adopted by Capt. Basil Hood for the piece which William Greet is to produce for a series of children's matinees at the London Adelphi-as-Christmas.

It is obvious throughout "Mary of Jewett" that in the mind of the author, Paul Heyes, Mary has a secondary figure, and it takes all the art of Mrs. Fiske to invest her with dramatic interest. Few seemed to realize that the play was built around Judas.

The Montreal Star unmercifully roasts the "encore fiend." Referring to "The Chinese Honeymoon," it says: "One night this week—just an ordinary, average night—there were twenty-five matinees in the first act, and thirty-two in the second, a total of fifty-seven. The leading hand-banger is always furious in his enthusiasm, he arouses a spirit of emulation in the young and unsophisticated in the very intensity of his approval."

MAXIM & GAY CO. (INCORPORATED UNDER THE LAWS OF THE STATE OF NEW YORK). Established Three Years. CAPITAL, \$50,000. Before the Public Every Day. NEW YORK, NEW ORLEANS, CHICAGO, SARATOGA, WASHINGTON.

WIN AT NEW ORLEANS. No greater opportunity has ever been afforded the American racing public to earn a steady income with a small capital than does the Maxim & Gay Co. offer you at New Orleans, beginning Thanksgiving Day, Nov. 26.

\$50 NETTED 201.75. Here is a complete statement, showing the result of a \$10 play on each horse given in our "Discretionary Series" during October. (Note: A capital to begin with of \$50 is required by us, as a matter of conservatism, to make a \$10 play on each horse that is considered by us a good betting proposition.)

We Pick the Winners. The system we employ to locate winners is identical with that used by "Pittsburg Phil," John A. Drake, John Gates, W. Langdon, Joe Yeager, and other famous plungers who win hundreds of thousands on the turf every year, and it proves just as successful.

Our Clients Won a Million Dollars. As it is well known that our clients have collectively won as much as a million dollars at a single race meeting, it is sometimes asked: "Why do not Maxim & Gay simply sit down and back their own selections instead of running a considerable clerical force and spending large sums in advertising in newspapers throughout the country?"

Join Our Winning Army. The greatest race meeting in the history of the South begins at New Orleans on Nov. 26th. In magnitude it will eclipse all other turf gatherings of the past. The Crescent City Jockey Club knows this to be a banner year and has prepared for it. So have we. If there are more horses at the New Orleans racetrack than ever gathered there before, we have more experts "dockers" and handicappers than we ever employed at any other meeting.

TO MAXIM & GAY CO. (Incorp.), 923 Canal St., New Orleans, La. In accordance with the terms of your ad. in the Kingston (Can.) British Whig I enclose ... Dollars. Please bet for me daily ... Dollars on each selection of your Discretionary Series at the New Orleans races.
