BRITTON UPSETS THEIR CALCULATIONS.

Action For False Arrest Quashed -Counter Claims Set Aside-The Case Now Dismissed.

Toronto, Nov. 24.-Judge Britton has rather upset the calculations of the parties in the action of Charles W. Bonter vs. Samuel Neshitt, two Brighton apple dealers. Nesbitt had Bonter arrested in 1902, for misappropriating 82,100, but Bonter had a counter claim for \$3,215. The charge was dismissed, and Bonter brought action for damages for false arrest. C., began to explain the case for his client, the plaintiff. The defendant's counsel then rose, and put in an argument for a settlement signed by Bonter and Nesbitt, by which, \$45 put in for \$355; this had been made ter had left by train for Toronto. aged 103 years, seven months and Judge Britton decided not to hear the case, and dismissed the action.
