REMARKABLE CURE.

Patient Cured of Growth on Face.

Indianapolis, Nov. 25.—Dr. Benjamin F. Ivey, of this city, has perfected a wonderful cure of cancer in the case of Jefferson Coker, afflicted with a cancer almost covering the entire face. Those that have witnessed the cure pronounce it most marvelous, as Coker was so weak he could hardly walk.

Campbell, who had expected no serious danger from his performance, clung desperately to his position on the animal, which, after a wild run of a mile or more, plunged into a slough, where the moose sank to its stomach, and its rider dismounted in safety, finally killing the moose with one shot.
