THEY ACTUALLY

DO THE WORK Digested - Some Stomache Must Have Help.

Food taken into the stomach which from the nature of the food or the condition of the stomach, is not digested Steamer Was Abandoned By is worse than no food at all. This is a true statement as far as it goes and a great many dyspeptics go only this A most peculiar circumstance in con- far with their reasoning. They argue with themselves that because their the point where the Erin was found in other words they must be starved the naked eye his brother's ship flying dyspeptic will employ help for his stomach and give his body proper

Stuart's Dyspepsia Tablets actually relieve weak and overburdened stomachs of a great portion of digestive action. Their component parts are identical with those of the digestive fluids and secretions of the stomach and they simply take up the grind and carry on the work just the same as a good, strong, healthy stomach

On this account Stuart's Dyspepsia Tablets are perfectly natural in their action and effects. They do not cause any unnatural or violent disturbance in the stomach or bowels. They themsystem with all the nourishment connature's plans for the sustenance and maintenance of the body.

How much more sensible is this method than that employed by many sufferers from weak stomachs. By this means body and brain get all the good, nutritious food they need and the man is properly nourished and equipped to carry on his work and
