Several Doctors Attended But Did No Good.

Milburn's Heart and Nerve Pills CURED.

Read what Miss L. L. Hanson, Waterside, N.B., says: "I feel it my duty to express the benefit I have received from Milburn's Heart and Nerve Pills. A year ago last spring I began to have heart failure. At first I would have to stop working and lie down for a while. Then I got so bad I had to give up altogether and go to bed. I had several doctors attend me but they did me no good. I could get no relief until urged by a friend to try Milburn's Heart and Nerve Pills. Before I had used three quarters of a box I began to feel the benefit and by the time I had taken three boxes I was completely cured."

Milburn's Heart and Nerve Pills cure nervousness, sleeplessness, palpitation of the heart, skip beats, and all troubles arising from the heart or nerves.

Sherwood For Lennox.

The liberal meeting for Lennox county, on December 5th, unanimously selected Dr. Vrooman as candidate for the House of Commons representation, adjourning for two weeks to give time for his due consideration. It is now announced that he cannot accept, in view of necessary sacrifice of his profession. There was no dearth of good names before the convention and now a deal of public interest centres upon T. B. Sherwood, superintendent of the Bay of Quinte railway, as a most desirable choice personally and as a public speaker.

Stricken With Pneumonia

Almost Ready to Die—Alonzo W. Douglas, of Woodbridge, Was Saved By

FERROZONE.

"For the benefit of others," writes Mr. Douglas, "I desire to state the results I derived from the use of Ferrozone. Two years ago I was stricken with Pneumonia. So severe was the attack and so reduced was my strength that my life was despaired of. I had the very best medical attention, but made no progress towards recovery. When reduced to practically a skeleton, a kind friend told me of the remarkable powers of Ferrozone. An improvement began almost at once. I gained steadily in weight and strength until Ferrozone made me a new man. I will gladly answer enquiries from other sufferers if they care to have further particulars about my recovery. Ferrozone deserves its great measure of success."

This is but one of the many cases that are being cured every day by Ferrozone. No treatment was ever known to supply a weak system so quickly with strength and energy. No tonic does its work so thoroughly. It is a specific for tiredness, langour, loss of appetite, weakness after fevers, and all debilitating diseases. Ferrozone makes you strong and keeps you strong—in a word, it assures health and costs but 50c. a box, or six boxes for $2.50. at any drug store. By mail from The Ferrozone Co., Kingston, Ont. Get a supply to-day without fail.

FASHION'S FORM.

A Smart Black Frock For One in Mourning.

This frock would be a good design for one to follow who is in mourning but it is not essentially a mourning frock. The waist is a plain full blouse of accordion-pleated chiffon or net. The little jacket effect, which gives the idea of being separated in the centre, is made of black taffeta and braided in black silk braid.

The high cuffs, collar and caps to the sleeves are also of the taffeta, braided in the same way. The skirt is made of three circular flounces, each hanging loose over the other. If the frock is being made for one in mourning, bias bands of crepe should be used instead of the braid.

This frock could also be made of any pale color, with the blouse of white and the braiding of lace inserting.

Hints To Shoppers.

Buy Christmas goods now. You can get a better selection than if you wait till later.

Do not go at noon hour; the clerks have to eat occasionally.

Do not get in a hurry and imagine other customers should stand aside for you.

Give the clerks a show. They are anxious to please you and can succeed much better if you do not fuss about like an old maid.

Get around in the daytime, you who can, so that those who cannot do so may have a chance.

Buy from our own merchants.

CONTEMPTIBLE ACT.

To Win Affection And Defraud Widows.

Toronto Telegram.

Albert Hamilton Whitesell who obtained money from widows by representing that he would marry them, had a good pleader in the person of A. R. Hassard, who asked for leniency. Judge Winchester said that he didn't know of a more contemptible and dishonest act than that of which Whitesell is guilty. "Even a highway robber is to be preferred, for he takes chances; but, in this case, to win a woman's affections to defraud them of their money, and by a married man representing himself to be unmarried, is a most despicable act." Whitesell was sentenced to the penitentiary for three years on the two convictions. His face, naturally pale, became more so, and tightly drawn as he heard his doom. The many letters written to him by many women, and the photographs they sent, will be destroyed.

SORRY TO HEAR IT.

How It Was With Them Last Year.

Isn't it tough to think that, this season, the Bellevilles will be unable to meet their old college chums, the Kingston Ramblers, who for some reason or another, are not in the O.H.A. this year, which means that there will be less arnica and sticking plaster needed.—Belleville Intelligencer.

This is how it was in Belleville last year, after the game with Ramblers:

Belleville Druggist—Did a good business to-night?

Customer—Didn't sell any fireworks, did you?

Druggist—No; but I sold about thirty pound of arnica and fifty yards of court plaster.

ROSS IN RENFREW.

Rousing Meeting At Beachburg And Pembroke.

Pembroke, Dec. 11.—Into the politically-warm atmosphere of North Renfrew, which has been represented as being in rebellion against the Ontario government, Premier Ross came to-day and added two more to his long list of platform triumphs. The coming of the liberals' gifted leader was the occasion of magnificent demonstrations, and the prospects for the election of the government candidate, Lorne Hale, were materially increased, though already bright. Mr. Ross in a little over a day has had a period of activity, which would have been too much for many a younger man. After a day's work in his office yesterday he addressed a meeting in Toronto last night, took the night train for Ottawa, conversed with many on the train till after midnight, breakfasted at Ottawa, took the train for Cobden, drove eleven miles to Beachburg, spoke one and one-half hours to a large gathering of Westmeath township farmers, drove sixteen miles farther to Pembroke, and spoke one and one-half hours to another crowded gathering to-night.

The premier's addresses were exceedingly strong and appealing. He answered the corruption cry once more effectively; and challenged Mr. Whitney to give details of the expenditure of the $28,000 fund for which he was responsible. He frankly admitted the wrong-doings in West Elgin and North Waterloo, showed how corruptionists had been punished by his government, and pointedly asked what might have been done had the liberals adopted the methods of their opponents in many past elections. The premier also announced that the next budget speech would reveal a surplus of $4,000,000, and that a new timber policy was under consideration.

Canadian Military Gazette.

Capt. H. S. Rogers, R.E., son of Col. H. C. Rogers, Peterboro, Ont., and a graduate of the Royal Military college, Kingston, is on a visit to his home. Capt. Rogers has received a staff appointment to Woolwich Arsenal. He says the R.M.C. boys are making general progress. Among the recent successes noted are:

Lieut.-Col. F. St. D. Skinner, p.s.c. Royal Sussex regiment, has recently obtained the command of the first battalion of the regiment. He is the first Kingston cadet to attain the regimental rank of lieutenant-colonel and the command of a battalion.

Capt. R. J. F. Hayter, Cheshire regiment, is among the officers qualified at the recent examination for admission to the Staff college.

Major G. D. Luard, Scottish rifles, has been appointed a recruiting staff officer, class 2.

Brevet Major H. G. Joly de Lotbiniere, D.S.O., R.E., has quitted the war office for duty with the Somali field force as a special service officer.

Try To Prevent Lung Trouble.

It's the dried sputum floating around in the air that gets into your lungs and causes consumption. A sure preventive is fragrant healing Catarrhozone, which is inhaled right into the lungs, kills every germ, heals the sore membranes and cures thoroughly every type of catarrh, bronchitis, asthma and lung trouble. "I caught a severe cold which developed into catarrh and finally settled on my lungs," writes A. Northrop, of Bedford. Catarrhozone relieved quickly and cured me. I recommended Catarrhozone highly." Two months' treatment, $1; trial, size, 25c.

Skull Fractured.

John Flood, a stone-cutter residing on Grindstone Island, has been working in Montreal for some time past. On Wednesday evening he arrived in Gananoque, and crossed to his home on the island. During his absence some alterations were made to the house, among which was the removal of the railing enclosing the stairway. In preparing to retire for the night, Mr. Flood extinguished the light and unconscious of the absence of the railing walked into the opening. He fell headlong to the bottom, fracturing his skull. Dr. Emery was summoned as quickly as possible after the accident, and found the unfortunate man in a low state. Little hope was entertained for his recovery when the doctor left him on Thursday. Mr. Flood is a married man about forty years of age, and has a small family.
