Cold in the

\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\* It was a shabby old room, but it had a lived-in look, I know the father and the boys dropped down in the comfortable chairs on their way and out from the office and college. I know the girls brought their fancy work to this room, and that the mo-FARE AND ONE-THIRD—Good going were everywhere. Palms and ferns brightened the window with their brightened the window with their stood open. There wasn't an expensive bit of furniture in the whole room, and the carpet and hangings, the chair and couch coverings, were old and faded. The fire-irons were battered, but shining. The room was well-dusted and the old-fashioned net at the window was clean.

room you wondered what attracted to prominent W.A. workers. you. It wasn't the shape of it, for it was square and hopelessly inartistic New Year's Vacation to begin with. It wasn't the decorations, they were old and discolored, in the very look of living, that occupation had given the room, there ary 1st, 1904, valid for return until kept you sitting by the fire long after the clocks had struck the hour of

What was it can you tell me this gray-haired mother of grown men and women had put into her little front room? She had put herself into it-her own sincerity, her own practicality, her love of home and nature, and her fondness for her husband and children. There was no stifness in her nature. There was none in her room. She had no pride in mere possessions. Her house indicated that, She was not extravagant, nor overambitious, and the well-worn accessories of her drawing-room revealed

her contented and prudent habit How seldom you see a room like that, and how very often you find one furnished too elaborately for comfort, too expensively for peace of mind There's nothing to do in the fashionable drawing-room, except perhaps, count the bits of bric-a-brac and speculate as to the reason for making and buying certain elaborate cabinets and uncomfortable chairs. There isn't a book about. No one would dare to The Dominion Line, Montreal & Port- bring a bit of hemstitching or sewing there, even if the light were good (which it usually isn't). Even a newspaper seems out of place in a proper drawing-room, and a litter of magazines would spoil the effect of angular shopiness. The family live in an upislands, including SANTA that common-sense successor of the ST. KITTS, MARTINIQUE, ST. prim and formal "parlor." It is not always tidy-that lived-in front room

> -"Madge Merton." An event which has a wide local interest, as it concerns perhaps the most interesting person in the city, took place at yesterday's meeting of the board of the Woman's Auxiliary the Diocese of Ontario. The president, Mrs. Buxton Smith, after a graceful little speech, in which she spoke of Miss Gildersleeve's unfailing interest

Affected by Colds.

Backache And Pains in The Legs The Common Symptoms-Cure Comes With The Use of

Kidney - Liver Pills.

Exposure to damp, cold weather is a frequent cause of kidney disease. Sitting in a draught so as to chill the feet and legs is frequently enough to bring on congestion of the liver. Colds settle on the liver and kid neys as well as the lungs. The results are diseases of the most dreadfully painful and fatal sort. As yet there has never been discov-
