Prof. Dupuis, dean of mechanics. was hailed in lusty tones as the :olliest of "jolly good fellows." He could not escape such a toast, for he had been in connection with every faculty of Queen's, -for fifteen years with medicine and half a session with theology, while now he served two charmers, yet stiences. The arts subjects were the real basis of all education, and be was carrying the studies along concurrently to do the greatest good in short-est time. The faculties had a strong hope that the students would cultivate the feeling of an organic whole, stopping their sectional rivalies, where they threatened to impair Queen's even in the slightest degree. ably he installed in barber shops and it was not recorded, but doubtless turned down in parlors. each student here took an inwardresolve to be very, very good, and this is equal to an oath of allegiance. Professor Cappon glanced back fif-teen years upon his slife at Queen's nethy's. teen years upon his elife at Queen's and saw only one great faculty, that of arts, with early struggles of the science school for a lodgment that called forth admiration. Queen's future was bound up in the allied school for practical work, that she may have added strength for the type of culture that is truly her own. He trembled that is truly her own. He trembled the control of Riverside, Cal., are guests of Mr. and Mrs. A. G. Farrell, Smith's Falls. Beautiful children's toilet sets, brush, comb and mirror at Gibson's Red Cross drug store.

Fresh Grand Rapids lettuce, Friday, moining, at Carnovsky's,

Watson and Professor Dupuis met in clash of arms-and legs, for science was young and long-winded. But the true collegiate spirit had closed the incidents, and the humanities would proceed in a clear course to sustain good scientific application, and help to build up our young nation. For Itwenty years Goldwin Smith had, on historic theories, declared that Canada had no future as a colony, being devoid of national spirit; he failed to-

CALLAGHAN WILL GET SIX DAYS IN JAIL.

Says He Has Claim Against Crossin For Commission-Grounds On Which Callaghan's Appeal Is Based.

Toronto, Dec. 17 .- W. H. Callaghan, ound guilty of stealing \$180 from the Crossin Piano company, was senten-ced by Judge Winchester, to-day, to sixty days in jail, Callaghan having failed to appear yesterday, and was arrested this morning. He said his counsel told him he need not appear yesterday. He pleaded for leniency and said he had a wife and four chil dren. He claimed to have a good He wept when sentenced. The application for a reserve case

and the appeal from the conviction of W. H. Callaghan were heard by the net appeared for Callaghan, and H. H. Dewart for the crown. The argument for Callaghan is that the judge's charge is wrong as regards the right to a set-off of a commission, and that the judge was wrong in excluding a copy of a letter written by Callaghan to Crossin a few days after the alleged offence on October 21st, and on the general ground that there was no
