## ASTERN SENIOR SCHEDULE TO STAND

And The O.H.A. Executive Wi Frontenac Hockey Team Plays in Picton To-Night.

The O.H.A. mandate caused a meet ng of No. 2 senior district represents ives at Brockville Saturday after oon. The request of the hockey ex-cutive was considered too unreason-ble to be acceded to, in fact it was ooked upon as unjust and decidedly servy. There was a discussion upon on the O.H.A. and forming an custern lengue. On the request of Smith's Falls, each action was deferred, and it was resolved to inform the O H A. exbey intended to play the matches as ed, and would not agree to an

That answer should satisfy a certain cal paper that the Eastern Ontario key League question has been thornting of their own referees, and ficance, and that it is atterly incap e of discerning the signs of the imes. ing men, for I at all times paid my clusion, Alderman Craig promised, if in the city to recognize your union and give you a nine-hour day. When wages increased I was the first to trade I employed, and at all times

paid the lighest wages going.

The by law giving our city engineer full control, and which has so lately been giving our council so much trouble, was brought forward in commitlidate for mayor I will simply give a tee by Alderman Craig, and oppose man in committee and also in council. Moreover, in looking over the records served on every committee except I find when the budget was passed in in March, 1902, Alderman Craig while opposing an increase to the poorlypaid workingman, voted for an crease of salary for two or three our city officials, who were well paid prestige. I at all times voted against for their services, and in order to meet the increase in expenditure Mayor Bell and Mr. Craig voted for an increase in the taxes to twenty mills on the dollar, and a raise in the butcher license from \$2 to \$50 per year. At the same time the budget showed a deficit of several hundred dollars. I do not think that this showed good, sound, clear-headed financing as we would expect from such clever gentlemen as Mayor Bell and Alderman Craig.

One year ago when we were on the verge of a coal famine, and many the citizens of Kingston were existing without fire in their homes, the city council endeavored to introduce a resolution to purchase wood and coal and sell it at actual cost to the citicame to the conclusion that they did craig was the first alderman on his street, returned home to-day. feet to defend the coal dealers (he being one), stating that the city counmerchants, Why? Because they were rearing a rich harvest by selling their coal at from ten to twelve dollars per ton. And to day Alderman Craig is days, a member of a coal combine that keeping the price of coal at seven dollars per ton in Kingston when it can be purchased at from \$5.50 to \$6 per the city, and to give them notice that ton on all sides of us.
