CENTRAL ONTARIO CURLING ASSOCIATION

Arranges Its Schedule—Kingston, Rockwood, Napanee and Brockville Again Compose it—Notes on Sports. The annual meeting of the Central Ontario Curling Association was held in the British-American hotel Wednesday afternoon. These officers were elected: President, D. Clarke, Rockwood; vice-president, Col. Drury, Kingston; secretary-treasurer, W. S. Harrington, Napanee. These representatives were appointed: Kingston, A. Strachan, E. Lyons; Rockwood, W. H. Dick, T. McManis; Napanee, J. W. Robinson, W. S. Harrington; Brockville, J. A. Hutcheson, J. E. Cryler. This schedule of matches was arranged: Jan. 8—Rockwood at Kingston. Jan. 12—Kingston at Napanee. Jan. 13—Kingston at Brockville. Jan. 18—Brockville at Napanee. Jan. 22—Kingston at Napanee. Jan. 25—Rockwood at Brockville. Jan. 26—Napanee at Kingston. Jan. 30—Kingston at Rockwood. Feb. 1—Napanee at Brockville. Feb. 2—Brockville at Kingston. Feb. 4—Napanee at Rockwood. Feb. 9—Brockville at Rockwood. The old rule regarding points counting in the event of a tie in number of matches won and lost was rescinded, and it was decided that in case of a tie in the future, the president, vice-president and secretary be a committee to decide how when and where such match or matches are to be played off. This decision is to be final.

Ottawa Won The First. The first of the Stanley Cup hockey matches took place in Ottawa last night before an immense crowd. The challengers were the Winnipeg Rowing Club, champions of western Canada. Ottawa defeated the cup which they won last year from the Montreal Shamrocks. The score was a great surprise, Ottawa giving the Winnipeggers an awful beating, the score being 2 to 1. The second match takes place to-morrow night.

Queen's Lost At Peterboro. Queen's hockeyists played an exhibition match in Peterboro last night with the home team, and lost by 6 to 2. The contest was fast and clean throughout, and the dispatch was that Peterboro had no easy victory. The match was witnessed by 1,000 spectators. Lionel King, of Detroit, was referee. Queen's are rounding in to shape by a few exhibition matches, which are not to be taken as indicating the real strength of the collegians. The senior seven has not yet been chosen.

Hockey. Harvey Pulford has been selected to captain the Ottawa team. Princeton University defeated the all-star interscholastic team at Pittsburgh, Pa., by 10 to 1. This morning the O.R.F.U. junior cup won by the Kingston Limestone, coached by T. Sutherland. Beck, who was expected to play cover-point for Toronto Varsity, has been selected to play with his home team, Penzance. The P.A.C. hockey team beat the Princeton University seven at Pittsburgh by 6 goals to 4. "Jigger" Robinson scored five goals for the winners. There are probably not more than twenty nights in January that can be allotted to hockey at the Kingston rink. The Frontenac seniors, therefore, can hardly expect to get one-third of these.

The Ottawa Valley Hockey League has adopted the Canadian Amateur Hockey League rules, and will play under these this winter. The season they played under Ontario Hockey Association's rules. Walter Loudon the clever goal-keeper of last year's champion Wellingtons, has returned to Toronto from the Temiskaming district. It is believed he will play with the St. George's. Loudon was formerly with R.M.C. Brockville hockeyists state that group 2 wants to stand by the O.H.A., but, if that body insists on arrangements that if carried out mean death to the game there, they must not blame the clubs for adhering to the law of self-preservation. If the worst comes to the worst group 2 will play the schedule arranged as exhibition matches, and at the conclusion will ask the winners of groups 1 and 3 to play off for the championship, this entirely ignoring the O.H.A.

General Sport. Two Buffalo teams will play basketball at the Toronto Central Y.M.C.A. on New Year's day. May 11th, 12th, 13th, and 14th have been selected as the dates for Montreal's fifth annual horse show, which this time will surpass all previous efforts. One hundred thousand miles on a bicycle, equal to four times around the earth, is the record of Thomas W. Davis, an Englishman, of Peoria, Ill., made between the ages of sixty-one and seventy-five. He rounded out the year with a century ride the other day. He wheeled 4,000 miles during the past summer. The dates and places for the world's and European skating championships of this season have now been definitely fixed. They are: January 17th, at Davos Platz, Switzerland; European figure and speed, January 23rd-25th, at Berlin; world's figure championship, and January 30th-31st, at Groningen, Holland; world's speed championship. The visit of several foreign polo teams to America next season promises to give an added interest to the game. It is now certain that polo teams from France and Germany, and possibly England, will compete at the polo tournament to be held in connection with the world's fair at St. Louis. A team of Americans from the Hawaiian Islands will also play a series of games on the Pacific coast.

COMPLIMENTARY DINNER

Given To The Kingston Limestone Rugby Club. On the invitation of Hon. William Hartly, M.P., and Edw. J. B. Pense, M.P.P., the Limestone rugby team were entertained at a complimentary dinner at the Grand Limestone hotel after the performance of "A Country Girl" last night. About twenty-five officers and members of the club were present to partake of the hospitality of the two honorary presidents. A most enjoyable time was spent, each member present appearing to realize that it was a real "Limestone night" and dull cases was forgotten. After the choice servings of Host Devlin had been carefully stowed away, Edw. J. B. Pense, M.P.P., arose in a most good feeling and on behalf of Hon. Mr. Hartly and himself congratulated the Limestone on their very creditable showing during the past season. He knew that Kingston labored under the disadvantage of not having proper gymnasiums, etc., to prepare her athletes for strenuous contests, and for this reason it was all the more creditable that Limestone had easily defeated every team from Brockville to Sarnia. He thanked the "boys" for the pleasure of their company and stated that he would always stand ready to further their cause. Mr. Pense's remarks were warmly received. J. Morgan Shaw, president, J. T. Sutherland, vice-president; Manager Millan and D. J. McDermott, treasurer, also spoke briefly, and stated that it had been a pleasure to be connected with such a splendid company of good fellows. On behalf of the team, Edw. S. Elliott to whom the players owe much for many points, and William Beattie, the popular captain, spoke, thanking Messrs. Hartly and Pense for the kind spirit shown by their hospitality, and also thanked William Martin, manager, and Dennis Brannigan, of the opera house staff, for their kindness in securing them a complimentary night at the theatre. Messrs. Dally, Moxley, Birch and Hamilton responded briefly to toasts and at an early hour the happy Limestonees journeyed home having started their season on Thanksgiving day and formally closed it on New Year's eve.

Cook's Sunday School. Cook's Sunday school enjoyed its annual entertainment last evening. Supper was served to the children at 6:30 o'clock, and afterwards a program of songs by Mrs. Pett and Miss B. Landy; comic song by W. Shea; song with violin obligato by Miss E. Richmond; recitation by Miss Bowden. At eight o'clock Santa Claus (W. Shea), came tramping in and took charge of affairs, first making a vigorous address. The stripping of the tree was attended with great merit. There were articles upon it for all the patients, for nurses, house surgeons and others.

Incidents of the Day. A slate lavatory is being placed in St. Mary's separate school. This morning the temperature was quite moderate, 18 degrees above zero.

At Queen Street Methodist. The Christmas entertainment for the senior portion of Queen Street Methodist Sunday school was held last evening, and largely attended. Refreshments were served at 7:30 o'clock, and were followed by this programme: Opening chorus by school; Christmas cantata by scholars; solo, Ruth Brough; recitation, Ida Willy; cantata, "Holy Scenes," by senior scholars; "Down stairs," by school; vocal duet by the Misses Chapman; lullaby by primary department; recitation, Leah Fraick; doll's chorus; by little tots; recitation, Florence Donaldson; closing chorus by school. G. A. Bateman acted as chairman.

FESTIVE NIGHT IN HOSPITAL AND SUNDAY SCHOOL

Flower Mission Entertainment at General Hospital—Gathering At Cook's And Queen Street Methodist Churches. The annual Christmas tree entertainment given by the Flower Mission to the ward patients of the general hospital took place in the amphitheatre of that institution last evening. D. McLeary, chairman of the national of governors, presided. Governors present were: Prof. Marshall and B. W. Robertson. Two or three of the patients had to be brought down on stretchers, but the hospital people thought nothing of the bit of trouble involved. The entertainment began at 7:30 and concluded at nine o'clock. First a programme was given, consisting of an instrumental solo by Miss J. Ross, songs by Mrs. Pett and Miss B. Landy; comic song by W. Shea; song with violin obligato by Miss E. Richmond; recitation by Miss Bowden. At eight o'clock Santa Claus (W. Shea), came tramping in and took charge of affairs, first making a vigorous address. The stripping of the tree was attended with great merit. There were articles upon it for all the patients, for nurses, house surgeons and others.

A BIG HOUSE

TO SEE THE PRODUCTION OF "A COUNTRY GIRL". The Music Was Tuneful And The Presentation Quite Fine—The Scenery Was Decidedly Rich. Tuneful, mirthful, joyful and wholesome is "The Country Girl," a modern English light opera, produced at the Grand Theatre last evening. From beginning to end there is not a suggestive or offensive line or pose, and the whole performance was singularly free from that slangy type of humor which characterizes most modern productions of a similar nature. The first scene is laid on a Devonshire estate, on the borders of a village, a fine farm view being the background; the outlook is an enchanting one, refreshing and pleasing. The second scene shows the interior of the palace of fine arts, London, and forms a magnificent setting, which must be seen to be appreciated. The costumes throughout are superb, those used in the second act being particularly beautiful. The music is of that bright, catchy character, so pleasing to all, yet it is unlike anything that has so far been heard, and the arrangement shows the finishing touches of a master hand. It is rarely that a company so well-proportioned is seen here; every part is capably filled. The girls are delightfully pretty, and their general deportment was high above the average. The principals are quite in keeping with the excellent standard of the company, which is thoroughly trained to a high state of efficiency. Encores, as must be expected when such a commendable performance is witnessed, were frequent, and always graciously responded to. During the earlier part of the play, all the principals were thoughtfully remembered by the members of the Limestone football team, junior champions of Ontario, who occupied two boxes. All the leading ladies but one received boxes of choice bonbons, decorated with the Limestone colors; the "odd" lady was given a bouquet of flowers; to the male principals boxes of cigars were presented.

OUT OF IT.

Catarh, the Offensive and Dangerous Disease, Can Be Cured. Catarh is a disease that afflicts a majority of the people of the United States. It comes without warning, and from its offensive nature causes intense suffering and humiliation. Its complications are often dangerous and fatal, dyspepsia, bronchitis, and consumption frequently resulting, if unchecked. Stuart's Catarrh Tablets have done more good and effected more cures than any other remedy. They never fail to where their use is adhered to. They thoroughly renovate the system and cleanse it of all impurities. Under their influence all catarrhal poisons are thrown off and the cure is complete and permanent. A prominent lawyer and public speaker of Pittsburgh, says: "I have been troubled with catarrh of the head and throat for twelve years. In this climate it seems impossible to get rid of it. The continual dropping of mucus from the nose into the throat caused irritation and hoarseness, serious interfering with my public speaking. It took me an hour or more coughing, gagging, expectorating, and sneezing every morning before I could settle down to work and the condition gradually brought on a catarrh of the stomach, causing loss of appetite, poor digestion and a foul breath, which annoyed me exceedingly. My physician advised me to try Stuart's Catarrh Tablets and I took them for two months and was astonished to find how quickly they cleared my head, throat and stomach and I have no hesitation in recommending them. They are not only pleasant to take, but they seem to get at the very root of the trouble, because since using them I have had no trace of catarrh." Stuart's Catarrh Tablets are for sale by all druggists at 50c a box. They have done so much good and the demand for them is so great that no druggist ever fails to keep them in stock, although there are other remedies which yield him a much greater profit. Druggists know, however, that they would be making a great mistake and endangering their business to be without Stuart's Catarrh Tablets.
