Famous Traveller and Explorer in Illustrated Description of the Hazardous Journey

OVERLAND

Under auspices of St. George's Society, Kingston. CITY HALL WEDNESDAY, JAN. 13

Prices, 50c. and 25c.

Mr. De Windt's is a most interesting personality. He has travelled all over the world, has written books of adventures under the tropics and in the polar fastnesses; the jungles of India and the prisons of Siberia. Recognized as an mpartial observer he was invited by the Tsar's government to visit the prisons of Siberia and give the world an unbiased opinion of the exile system. has proved himself a fearless and intrepie explorer, a graceful and facile writer, a graphic and forceful speaker; a man with a message to the present generation of the possibilities of the future.

\$20,000 IN HIS CLOTHES.

Workman Who Lived Like a Pauper Kept Fortune Near Him. Omaha, Neb. Jan. 7 .- For many years John Walker, of South Omaha, wore in the lin'ng of his clothes, \$20, 000 in gold and bills. The discovery was made by chance.

Walker worked for Armour & Co., died in a scantily furnished apartment. Apparently he was a pauper. The court clerks who are sent to the house accidentally discovered a hard stance in the coat lining. It was \$20 gold piece. Up and down seams of the coat and lining the trousers and vest were rows of similar coins. The shoulders of the coat were in our store padded with bills of \$100 and \$50 denomination. In the linings of Walker's shoes other greenbacks and gold pieces were found. In a dilapidated Invinciple Jelly Powder trunk other garments yielded thousands of dollars from ragged linings. a commercial success, and that the sons, 2,605 Irish, 10,349 Scotch and tified the Corean foreign office of his Rusty old shoes had false soles full of 38,418 foreigners, making a grand to intention to bring marines there, the money.
